

## COLLEGE INSTALLS ITS NEW PRINCIPAL

Major Professor W. L. Grant  
Becomes Head of Upper  
Canada College.

### SCHOLAR AND SOLDIER

New Head of Seat of Learning  
Has Practical Knowledge  
of Progress.

The installation of Major Prof. W. L. Grant to the principalship of Upper Canada College yesterday afternoon was given added interest by virtue of Major Grant's service on the battlefields of Flanders, distinguishing him not only as a scholar of renown but also as a soldier with experience gained in the very throes of the war. W. G. Goodenough, chairman of the board of trustees, presided over the occasion, and addresses were delivered by Lieutenant-Governor Sir John Hendrie, Principal Grant himself, Sir Robert Falconer of Toronto University, who congratulated Upper Canada upon the acquisition of an all-round soldier and scholar as its chief preceptor; Principal MacDonald of St. Andrew's College, who delivered a stirring address of exhortation; Sir John S. Willison, who lauded his deed of praise both of the college and its chief, and Prof. A. H. Young, whose memory took him back to the day when Major Grant's father was installed as principal of the then small denominational college, which, under the guidance of that great teacher, became one of the foremost universities of the Dominion.

Reference to Honor Roll.  
Principal Grant, who was escorted into the college hall by a body guard of cadets, told the great gathering of boys and their parents that he was proud to have been honored with the principalship of the college. He referred feelingly to the death of his father, George Taylor Denison, Colonel Russell Britton, Colonel William Marshall, Major Charles Moss, Major Gordon Southam and Mr. Lynn Fattin, and emphasized his opinion that as Canada had sacrificed in war, so also in the happier days of peace to come the Dominion would be called upon to make heavy sacrifices for large and progressive aims. Major Grant also paid tribute to the fine quickening influence from Principal Dr. G. R. Parkin, which had overstimulated his sense of duty to definite conscious action.

Continuing, Principal Grant pointed to the status of the school and to the leadership expected of its boys. "This is a great school, with great traditions," said Major Grant. "It was founded by that veteran of the Peninsula and Waterloo, Sir John Colborne, afterwards Lord Seaton. But a great tradition is not so much something to look back upon with pride as it is a well spring from which to draw inspiration for the present and the future."

Canada True to Ideals.  
Referring to the splendid ideals instilled by the institution, Principal Grant said that the great struggle of the past few weeks proved that Canada had been true to her highest ideals. Rarely in history had any nation so far removed from the pictorial side of the war laid so unflinchingly and voluntarily so great a burden on herself. He was sure that even the great leader who lost the election must in his heart of hearts be proud of Canada. The aim of the school would be always that of securing teachers who were ready to inculcate in the minds of the boys those homely, glorified ideals of manliness, truth, justice and benevolence, which would make of the boys leaders worthy of the public in every walk of the political, social, religious and economic life of the Dominion.

An illuminated memorial was presented to Prof. A. H. Young on behalf of the alumni of Upper Canada College in testimony of their appreciation of Prof. Young's work in connection with his history of the college and his enumeration of all the graduates of the college. Among those who were present were Lieutenant-Governor Sir John Hendrie who was attended by Col. Fraser and Percy Arnold, Harold Munts; Col. George T. Denison, David Stinson, K. C., Prof. Pelham Edgar, Prof. Keyes, Prof. Baker, James Scott, Dr. Bryce McMurich, Norman Goodenough, Provost MacKinnon of Trinity College, A. M. M. Kirkpatrick, Dr. Campbell Myers and Eaton Smith.

### DEPARTMENT REPORT ON FARM CONDITIONS

The following is a summary of weekly crop reports made by district representatives to the Ontario Department of Agriculture:  
The past week saw a heavy snowfall, the past week or more have given good protection to clover fields, and to the newly sown wheat and rye, which crops have rather too small a crop for hard wintering.  
There is an increased demand for hay and coarse grains owing to the comparative scarcity of ensilage. The hay yield of straw is coming in nicely for bulking the ration for livestock. There is an increased demand for broad seeds, especially for pedigree animals.  
Milk production is about holding its own, depending more than ever upon individual handling of the dairy herd. The dairy industry is opening up in the Rainy River District. A butter factory started during the week, and is said to have done much better than it making cheese.  
Apples range in price from \$5.50 to \$7 per barrel, according to variety, quality and selection. The Norfolk Fruit Growers' Association are selling their stock by both wholesale and retail methods.  
Selling is of midwinter quality, and will be a factor in marketing the drawing of mill feeds, legging and other winter work, for which there is, generally speaking, a sufficiency of labor.

### ARBITRATION WILL PROCEED.

The board of arbitration which has been considering the grievances between the city scavengers and Street Commissioner Wilson will resume its sittings Thursday afternoon. J. G. Kent, Walter Brown and D. A. Carey are the members of the board.

MAJOR W. L. GRANT,  
who was installed yesterday as head  
of Upper Canada College.

## INTEREST STIRS IN MUNICIPAL FIELD

Several New Candidates Announce Themselves for Coming Local Elections.

Now that the federal elections are over there are signs of activity in the municipal field. Several new candidates announced themselves yesterday, and those who had already stated their intention of contesting a civic office are busy circulating their campaign literature.

Richard Honeyford, of the Ward One Ratepayers' Association; James H. Jones and Arthur J. Stubbings are the latest to come out in the district over the Don. Mr. Jones ran for the board of education last year, but was defeated by Mrs. A. C. Courtois. Mr. Stubbings has had no previous experience in municipal campaigning. Experience and ex-Ald. Wagstaff are possibilities.

Ward six promises to have an equally large list of candidates for the elections to choose from. In the field already are Ald. Joseph Gibbons, Ald. Fred McBrien, Brook Sykes, contractor, of 1769 Dufferin street, and T. S. Smithbone. Mr. Smithbone has been prominent in connection with securing coal for Barlecourt citizens. Ald. Gordon, who announced his candidature some time ago, informed a reporter for The World last night that he would not be in the field this year. Ald. MacGregor has not announced himself definitely.

Altho defeated in the federal election Ald. J. G. Ramsden is not out of the civic fight in ward three. He will run for alderman again this year. Ald. Alf. Maguire, C. W. Mogridge and Frank W. Johnston are the other candidates in this ward. William Harper, customs broker, and Thomas Vance, who was defeated last year, are also mentioned.

Ward seven has three candidates in the field now for the two seats it holds in the city council. They are Ald. Ryding, Ald. Whetter and ex-Ald. W. H. Weil.

### HOME AND SCHOOL CLUB.

Elizabeth Street Scholars Enjoy Bazaar and Entertainment.

The bazaar given by the school and home club of Elizabeth Street School, assisted by the Hebrew Maternity Aid Society, last evening, was a brilliant success. Trustee Brown opened the bazaar with a short address, and shortly after 8 o'clock the rooms were packed with a crowd of fancy work, home cooking and useful articles were in the large corridor.

A Punch and Judy show in one class room was well patronized by the smaller children, the older boys and girls enjoying a minstrel show in another room. A musical program was one of the evening's attractions.

### WEEKLY REPORT OF BELGIAN RELIEF FUND

The Belgian relief fund (Ontario branch) reports for the week ending Dec. 14, 1917, a total of \$120,818.29, making a total to date of \$120,818.29.

Subscriptions of \$100 each came from three active chapters. L.O.D.E., St. Isaac Brock, Welland; Major E. J. Knapp, Adairville Collingwood; Collingwood. Three subscriptions from children, viz. St. Thomas, catechism, \$88.75; Miss Creator's School, Oakville, \$55.00; and Danforth Avenue Methodist Church Sunday School, \$50.00. The show that the great needs of Belgian children are not being forgotten by young Canadians.

### METROPOLITAN STILL SILENT.

City waits for statement as UNIMTUM' Expiration Approaches.

## Some Practical Gifts for Christmas
