RECENT DEATHS

Dr. Wm. M. Caudwell.
The death of Dr. William M. Caudwell occurred in the city yesterday afternoon after a severe illness in his 72nd year. The doctor has been practising in Newcastle Bridge, Queens' county, and came to the city some time ago for medical attendance. He was born in Kings county, and was the son of Mr. and Mrs. David Caudwell, who had only come out from England. About twelve years ago he practised medicine at Lancaster Heights and later at Newcastle Bridge. He leaves a son and a daughter to mourn. The daughter is Mrs. George Kating, of Truro (N.S.), and the son is Paul Caudwell, of Toronto. His wife has been dead some years.

Mrs. G. Herbert Green.
Friends in the city will be greatly shocked to learn of the death of Mrs. G. Herbert Green, of this city, which occurred yesterday in the Woodstock hospital. Mrs. Green was a comparatively young woman and her death brings intense grief to the family circle, in which she was greatly beloved. She is survived by her husband and two little daughters, Leslie and Margaret; one sister, Mrs. Jackson Rowan, of the North End, and four brothers—Christopher J., of Rockland Road; Henry, of Moncton; Fred, of New Glasgow; and Robert, of Armstrong, of the board of trade. The body will be brought to the city today; funeral to be held Friday morning at 2:30 o'clock from her late residence, 200 Wentworth street.

Donald S. McKay.
Dahousie, July 2.—The death of Donald S. McKay, a highly respected citizen of Dahousie Junction, occurred recently in his seventy-eighth year. Two of his sons are now serving king and country. They are Captain Norman McKay of the 182nd Battalion and John McKay, two daughters also survive, Mrs. Frank Daughney, of Dahousie Junction, and Miss Flora, of Campbellton. The late Mr. McKay was a retired I. C. R. official.

Mrs. John S. McFadden.
Andover, July 2.—Mrs. John S. McFadden, wife of Rev. John S. McFadden, passed away on Saturday morning after a brief illness of pneumonia. Mrs. McFadden, formerly Miss Colpitts, of Forest Glen, Westmorland county, was thirty-four years of age. She is survived by her husband and four young children, besides her father, three brothers and two sisters. The funeral service, conducted by Rev. Charles Flemington, was held this afternoon in the Baptist church, after which the remains were taken to Forest Glen for burial.

At Macnaquon on Friday Miss Helen Barr, eldest daughter of Mr. and Mrs. Fred Barr, passed away. She was nineteen years of age and is survived by her parents, four sisters and four brothers.

Mrs. Andrew Hay died at her residence, Moorfield, on Thursday, aged sixty-eight years. She leaves her husband and the following family: Mrs. James McAlon, St. John; Katie, at home; and Adam, of Chatham.

Mrs. Heritt Colpitts died suddenly at her home in Forest Glen, Salsbury, on Sunday, July 1. She is the wife of Heritt Colpitts of the Colpitts Millinery Company. George W. Gaynor, Jr., of the post office staff of this city is a half-brother, while Rev. R. J. Colpitts, associate editor of the Maritime Baptist, is a brother-in-law.

RECENT WEDDINGS

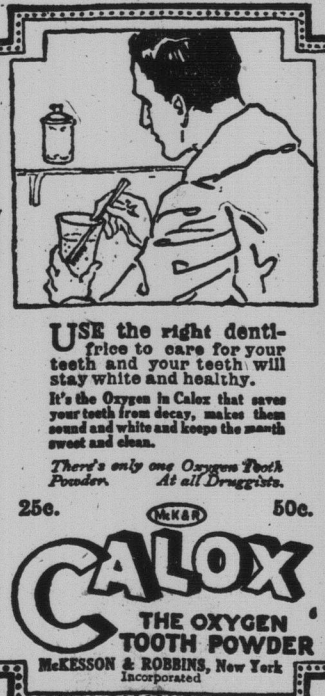

Tippet-Driscol.
At 2 o'clock Monday morning, St. Rose's church, Fairville, was the scene of a wedding of interest, when in the presence of immediate relatives Miss Mary Mercedes, daughter of Mr. and Mrs. Cornelius J. Driscoll, 20 Church avenue, Fairville, became the bride of Charles Tippet, Rev. Charles Colpitts, rector of the church, officiated. After the ceremony the wedding party drove to the home of the bride's parents, where breakfast was served, following which the happy couple left on the Boston train for Boston and New York. The bride was the recipient of many useful and ornamental presents of furniture, silverware and cut glass. The groom is a returned soldier of the first contingent, and is now on the customs staff.

Sansom-Smith.
Frederick, July 8.—News has just been received of the marriage of Captain Ernest W. Sansom, O. C. the 16th M. G. Co. (Canadian) on active service in France, to Miss Helen, daughter of Mr. and Mrs. Curzon Lodge, Folkestone, Kent, England, cousin of Lord Curzon. Captain Sansom sailed with the west coast contingent as extra lieutenant, was kept in Shorncliffe two years as machine gun instructor, and was finally allowed to go to France on active service, and was promoted to O. C. of the 16th M. G. Co. He brought his company through Vimy Ridge fight with only one man slightly wounded, his company being mentioned in despatches for the good work it had done. Captain Sansom is the eldest of three brothers who are serving their country in France. He is a grandson of ex-Sheriff Howe, and a nephew of Mrs. Harry Gregory, of this city.

GIFTS IN KIND

London, June 15, 1917.
To the Editor of the Times:—
Sir—Now that the purchasing power of every pound is so much less than formerly, people who would like to respond to the call of organizations doing splendid service to alleviate the present distress, often find they cannot send money. But they might emulate the action of a recent contributor to the British and Foreign Sailors' Society who sent a gift of cutlery which a diminished family had made superfluous, and which realized a welcome addition to the funds for special relief.

Lieut. J. S. Henry, Salsbury (N. B.)
Wounded and Missing.
John Scott, St. John (N. B.)

Future of Church in Fort Kent, Me.

At the quarterly meeting of the Presbytery of St. John held yesterday morning and afternoon in the school room of St. Andrew's church with Rev. M. H. Baird in the chair and Rev. Frank Mansel acting as secretary, the question of the transfer of Fort Kent (Me.) from the presbytery of St. John to that of Newburyport (Mass.) was discussed at length. Nothing will be done in the matter until further conference is had with the Newburyport presbytery.

A vote of sincere sympathy to Rev. J. S. Sutherland, Fredericton, on account of the serious illness from which he has been suffering for some time, also an appreciation of the loyal support given him by his congregation of St. Paul's church during his illness, was unanimously passed.

It was moved by Rev. James Ross, seconded by Rev. F. Baird, that the presbytery sanction a separate mission station and that a committee be formed to look over the ground. Agreed to. It was explained that the pastor at Chipman found that it was impracticable to attend several small districts lying at long distances from Chipman. It was decided to allow the congrega-

tion of Lorneville to hold their annual meeting on the second Saturday in August between 2 and 9 p. m. o'clock, or within ten days thereafter, to take effect this year.

Matters dealing with the status of St. Matthew's church, whether it should return to the augmentation list or not, was taken up and referred to a committee composed of Rev. J. H. A. Anderson, Rev. F. W. Thompson and Rev. W. M. Townsend, who will confer with the parishioners of St. Matthew's.

A committee consisting of the Reverends James Ross, F. W. Thompson and F. S. Dowling were appointed to visit Lorneville in the interests of that congregation.

Rev. W. W. Malcolm spoke of the summer school for Sunday school workers at Sackville in August and emphasized the importance of every member of the presbytery encouraging the attendance of Sunday school teachers at this

school. He also moved that a grant of \$50 be asked from the Sunday school funds for promotion work within the bounds of the presbytery.

The commissioners to the assembly at Montreal gave a brief report of their impressions.

BRITISH CRITICIZE TOP HATS
London, June 19.—(Correspondence of the Associated Press.)—Men's morning coats and tall silk hats are the latest articles of wear to be criticized as wasteful. Those who are crying for a censor for these articles say that the long tails should be cut off the coats and the hat should be cut down to two inches in the crown.

The family doctor who goes about with his stethoscope in the crown, it is argued, is the only man who really makes adequate use to his top hat.
