UNIVERSAL SALES CO. THE LOCAL AGENTS FOR THE FORD CAR.

The St. John city and county representatives of the Ford car for the coming season will be the Universal Sales Co. with offices at No. 1 north side King square and service station at Robb's square. Full line of 1918 models are to be seen in the uptown show room which the public are cheerfully invited to inspect. It is said that the sales already consummated indicate that the Ford will be more popular than ever this year, particularly with those who under ordinary conditions would be paying higher price.

CANADIAN BIBLES ON THE RUSSIAN FRONT

Recent discoveries on the Russian fighting front have brought out a most interesting fact in connection with the work of the Canadian Shantymen's Christian Association. Worn and battered copies of the New Testament—evidently presented to the men when they were employed in Canadian lumber or mining camps—have been found on the bodies of numerous Russian soldiers. The books bear the association's stamp, and some of them had been in the men's possession for years.

SAYS ASHE DID NOT DIE OF STARVATION

Incident Believed to Have Accentuated Difficulties in Irish Politics

London, Sept. 28.—The death of Thomas Ashe, a Sinn Féin leader, reported to have been due to voluntary starvation, according to a despatch to the Daily Mail, from Dublin, has accentuated painfully the difficulties underlying the surface of Irish politics and Sinn Féin opinion is inflamed seriously.

Ashe's body, dressed in the uniform of the Irish volunteers, lies in state in a Dublin hospital and there may be a public funeral on Sunday. It is said that other Sinn Féin leaders in the hospital prison where Ashe died are in a dangerous condition.

At an inquest on Thursday, Professor McManus testified that a post mortem examination showed that Ashe did not die from hunger. The body was not emaciated and there was an abundance of food in the stomach. Death, he said, was due to syncope, arising partly from heart trouble and partly from an intense congestion of the lungs. Ashe's heart, he added, was abnormal and he would be apt to succumb to any sudden shock or prolonged struggle.

Dr. McKenna, a hospital surgeon, testified that Ashe had told him after he had been fed forcibly on Tuesday that he had collapsed from a fit of coughing.
