TOMORROW'S PICNIC OUT AT TORRYBURN

Three Special Trains at Convenient Hours — A General Exodus From the City Expected

With beautiful Torryburn only a few minutes distant from the city by rail and equally nearby by motor, also accessible by motor-boat and not too far away for horse and foot passengers, the picnic under the auspices of Tipperary Mary, the Rotary Club and the Patriotic Fund will be attended by thousands of people.

This afternoon the committee in charge of the outing are putting the finishing touches on the affair and trains and motor-boys are already transporting the goods to the scene of festivity. The picnic grounds will be converted into a veritable midway with attractive booths and with constant band music, merry-go-rounds, swings, etc., the fun will be constant.

As this will be the last newspaper many intending picnickers will get before the affair comes off, let it be distinctly understood that only on the "special" trains will the very low ten and twenty-cent return fares be accepted. The regular fares will be 25c and 50c. These special trains leave the I. C. R. depot at 1:50, 2:30 and 3:00. They leave Torryburn at 7, 9 and 10:30.

Lunches and meals will be served on the grounds. There will be a minstrel show, a lot of war between cops and motormen, a baseball match, Kill the Kaiser, Soak the Coon, bowling and shooting competitions, races, dancing, etc., etc; fun to take part in and fun to look at; no idle moments! A great big white-bang, whoop-all the time. Every penny for the soldiers' wives and kiddies.

One of the notable attractions tomorrow will be the Sunny South Minstrel aggregation—a company of colored jokers with new songs, rags and cut-ups, hot off the New York griddle—and its pretty warm in the big burg just now. These minstrels will have their own orchestra and band.

Mayor Hayes will be judge of the struggle between police and amateur car mechanics, and A. P. Patterson will be starter.

Dock your motor boats at Renforth's fine wharf. Your automobile will be looked after by a special guard on the grounds.

CHATHAM EARTHQUAKE

(Chatham World.)
Chatham, among other reasonable luxuries, indulged in an earthquake on last Sunday morning. It came at three o'clock, before most of the people had risen for prayer. Beds were shaken, and dishes rattled. The shock was distinctly felt by people who were awake at the time and many persons were awakened by it. A large section of a ball of fire, was seen to rush through space at the same time, apparently not far above the earth.

Reliable Grocers

GROCERY MARKET.
The following comment on the market situation as regards food stuffs appeared in Canadian Grocer last week:—
Office of Publication, Toronto, Aug. 10.—One of the features of the market during the last week has been a further jump in the price of flour. With the continued soaring of wheat prices flour moved upward. Reports from Winnipeg state that damage is not nearly as serious in Manitoba, as some elements would like the market to believe. Rumors have also been afloat that certain parts of Saskatchewan and Alberta have been visited by rust. Mill men in Winnipeg assert their belief that the increased price of wheat is due largely to a bull element in the wheat market. They are of the opinion the market will decline as soon as the real facts respecting conditions become known.

If, however, the bulls are successful in keeping these reports afloat there is no doubt that both wheat and flour will continue to advance further. It is significant, however, that the reports issued by the Manitoba Department of Agriculture on August 2 state that out of twelve districts in various sections of the province on which returns were made, seven report rust, while the remaining five have no signs of rust. Those districts having rust grade from much rust to very little.

A further decline in the price of sugar is recorded for all sections of the Dominion. Corn meal has advanced in price in conformity with the high price of corn. Corn is now selling at the highest mark for several years past. Hot weather in the western United States corn belt is reported to have largely damaged the crop.

Lemons continue firm at a high price, owing to the big demand and shortage of supplies. Fruit is somewhat scarce owing to the continued dry weather. Ontario peaches are beginning to reach the market and are of medium size and quality. Cooked meats continue in big demand and live hogs have had a big advance during the week. Packers in certain sections of the Dominion have accordingly advanced the price of the main lines of pork products.

The wedding of Miss Mary Cann and Thomas G. Perry, of Havelock, Kings county, was solemnized on August 16 in South Ohio, N. S. The ceremony was performed by Rev. W. H. Jenkins. Some Midway at South Bay Fair Saturday.
