Commissioner Suggests That Candidates Be Asked to Pledge Support

this morning at Joggins to load coal for distribution to the fog and light house stations along the coast. The Laurentian reported that she is still fog RETAINING WALLS

Coal Tenders Accepted—Appeals From Tax Assess-

The suggestion was made this morning by Commissioner Bullock at the City Council meeting that the local condidates in the provincial election be asked to pledge themselves to vote in the next Legislature for an act giving the condidates in the provincial election be asked to pledge themselves to vote in the next Legislature for an act giving the commence of the party leaders.

The suggestion was made this morning by Commissioner Bullock at the second of the speaking campaign as well as active canvassing will commence. Public meetings are now in Beverley with Mrs. Hurling point in the campaign will be the issuing of manifestoes by each of the party leaders.

CHURCH ARMY WORK. Rev. John I. Byron, curate of St. Mary's Anglican church, Devon, who was the guest of his brother and his wife, Mr. and Mrs. Edward L. Byron, collected from violators of the prohibition law. This came about while a discussion was being carried on in regard to retaining wall repairs and after Commissioner Frink has said that Vancouver received a share of the auto.

Rev. John I. Byron, curate of St. Mary's Anglican church, Devon, who was the guest of his brother and his wife, Mr. and Mrs. Edward L. Byron, 67 Broad street, left for home last city calling upon W. E. Scully, M. L. A., who was defeated in the selection of by the Church Army from England, which will be in Fredericton this week. He will be the speaker before the Rotary Club at Fredericton next week.

BIRTHDAY PARTY

Mr. and Mrs. James Bovaird, of reported on this matter and while he felt the complaint of Mr. Zed was well founded he had no money to make any repairs. If the public works department of the city was in the happy position of Vancouver, where the province was handling over \$93,000 from the suto licenses and which was to expend on the streets and sidewalks, it might be possible to do something. The wall of Mr. Zed was not the only one which needed repairing on Prince Edward street,

Commissioner Bullock asked if the city was liable should an accident happen on account of the wall not being repaired and Commissioner Frink said he thought it was.

MAYOR WILLING.

BIRTHDAY PARTY

Mr. and Mrs. James Bovaird, of Little River entertained for their little son Marse Bovaird, of Little River entertained for their little son Master Garfield Bovaird yesterday was read. Complaint of Mr. Zed was in the happy position of Vancouver, where the province was handling over \$93,000 from the suto licenses and which was to expend on the streets and sidewalks, it might be possible to do something. The wall of Mr. Zed was not the only one which needed repairing on Prince Edward street,

Commissioner Bullock asked if the city was liable should an accident happen on account of the wall not being repaired and Commissioner Frink said he thought it was.

MAYOR WILLING.

Mayor Potts said the city should have a share of the monies received the monies received the province and mary Davidson. There was a birthday cake centering the large table on the verandah, where smaller the present time develuging at the present time to getting all possible are devoting their time principally at the present time to getting all possible are devoting their time principally at the present time to getting all possible are devoting their time principally at the present time to getting all possible are devoting their time principally at the present time to getting all possible and everyalog with provident the present time to getting all possible are

Mayor Potts said the city should have a share of the monies received from the automobile licenses to make good the damage done the city streets by cars from outside.

Commissioner Bullock said it would be a good idea to seek a pledge from the local candidates for the Legislature to support a move to give the city a share of the auto licenses and liquor

On motion of Commissioner Harding the tender of J. S. Gibbon and Co. to supply 100 tons of Minto coal at \$7.55 a ton for the safety department FIRST TRIAL FAILS

sewerage department was accepted.

Commissioner Harding laid before the council a copy of an acknowledg-ment by the Pacific Dairies Ltd., that they were encroaching on city property to the east of their building and this was placed on file.

sunken tug Ocean King at the chains failed yesterday when the chains placed under the vessel snapped under the tremendous strain, accordance to the control of the

was placed on file.

Appeals from their 1925 assessment were received from W. B. Parent and E. P. Watson and referred to the Mayor to arrange for a hearing. His Worship said he thought the best thing to do in these cases, as both were on real estate, was to advise the owners to appoint a valuator to act with one from the city and have this board value their holdings.
