The Twins slipped them on and making a wish found themselves instantly on top of their own roof.
But was it their roof?

## RELIEVED HIS RUPTURE This Is Solution of Yesterday's Puzzle

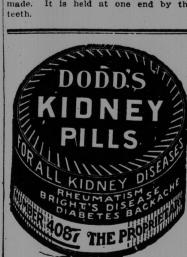

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of relief was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely relieved me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete relief without operation, if you write to me, Eugene M. Pullen, Carpenter, 468L Marcellus avenue, Manasquan, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

Logle, Mrs. Ernest Bissett, Mr. Cochrane, William Lanyon and N. A. Rogers, vocalists; Miss Alice Vanwart, reader; Miss Lorna Cochrane, pianist and accompanist. Each had to respond to encores. Messrs. Rogers and Cochrane sang a duet. The performers were given a dainty supper by Mrs. Cochrane.
