It is a great triumph for the government forces. The opposition speakers on every occasion did their utmost to discretifiting they expectively and in a most crushing maner. Kings County.

"On to Kings" is the slogan now for the government party. Dr. L. J. Violette having taken Madawaska by acclamation and Mr. Bentley being the victor in St. John county, the government's hope of winning Kings and increasing the house majority by four is naturally stronger than ever. Mr. McKenna, the government candidate, is putting up a great fight in Kings and the news of Mr. Bentley's smashing majority was received at Hampton, Sussex, Apohaqui and other Kings county centres with great pleasure on Saturday night.

The New Member.

Allister Fraser Bentley was born at Stewlacke, Colchester county, Nova Scotia, on Jan. 21, 1854. He removed in early life to St. Martins (N. B.) and there engaged in the lumbering industry and at present is head of A. F. Bentley & Son, Ltd. He is a strong temperance advocate and until recently represented the temperance sentiment on the provincial liquor board. He was first elected to the legislature at the elections of July 20, 1909. He has four children-wordlall B., Mabel, Anna and Margaret.

Deep-Seated Abscess in the Hip.

Remarkable Recovery after undergoing three operations without success. Remarkable Recovery after undergoing three operations without success.

Our Portrait is of Mrs. LAMBDON, of Mott's Mill, Withyham, Sussex, England, who writes:—

"I am writing to tell you of the benefit I have received from your Clarke's Blood Mixture. I had a deep-seated abscess in my hip and was laid up about fourteen months not able to do anything. I was in hospital nine mouths and had three operations. Still I was no better, so I asked to come home. I had been home three weeks still feeling very ill, so I thought I would try your Clarke's Blood Mixture. The first bottle I used fetched the pus out more than ever, and by the time I had taken half the second bottle I began to eat better, and the discharge began to get less. I persevered with the Mixture, and after a few weeks began to get about a little on crutches out of doors. Then I began to get stronger, and now I am feeling better than I have done for years. The abscess is quite healed—I can now do my work and walk quite a long distance with a stick. I am sure if people suffering the same as I was would give Clarke's Blood Mixture a fair trial it would do them good You can make whatever use you like of this letter."

Fork River, Manitoba.—"I saw in the newspapers where Lydia E. Pink ham's Vegetable Compound was doing so much good to women, and as I needed something I began to take it. I used to be very sick but I am not now. I live on a farm in the homestead district and we have to do all our own work. I tell all the women I see what Lydia E. Pinkham's Vegetable Compound does for me. I think it saves me from going to a doctor and is the best medicine women can take."—Mrs. WM. COULTAS, Fork River, Manitoba.

River, Manitoba.

Lydia E. Pinkham's Vegetable Compound is a medicine for the ailments peculiar to women. It is prepared from medicinal plants, with care and accuracy. It can be taken by women of any age.

Women make a serious mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Such symptoms as pains and irregularities, all-gone feelings, backache, headache, hot flashes, nervousness, with a general run-down condition, indicate some form of female trouble. The Vegetable Compound has brought relief to thousands of women suffering from such aliments. Let is help you.
