#### SIR WM. OSLER IS DEAD IN ENGLAND

Noted Canadian Surgeon Passes Away.

Oxford, England, Dec. 29.—Sir William Osler, the noted physician, who has been ill for several weeks, died here this evening.

Toronto, Dec. 29.—Sir William Osler, Bart., M.D., F.R.C.P., was the most distinguished member of a remarkable family. Two brothers of Sir William Osler survive and reside in Toronto. They are Hon. Petherstone Osler, president of the Toronto General Trusts Corporation and a former judge of the High Court of Ontario; and Sir Edmund Osler, M.P., head of the stock brokerage firm of Osler & Hammond. A third brother was the late Britton B. Osler, K.C., a leader at the bar of Ontario and one of the most noted pleaders of his day.

Sir William's mother died some years ago at the great age of 101. Sir William Osler was born at Bond Head, a village near Toronto and attended school at Port Hope whence he went to Toronto University, transferring to McGill in 1870. In 1875 he was appointed professor of the institutes of medicine at McGill and was elected physician to the Montreal General Hospital in 1878 and immediately began to teach in its wards, thus laying the foundation for his future success at Johns Hopkins Hospital. In 1889 he removed to Baltimore where he became professor of medicine in Johns Hopkins University and physician-in-chief to Johns Hopkins Hospital. In 1905 Dr. Osler was called to the Regius professorship of medicine at the University of Oxford and received the honor of knighthood on the coronation of King George V. During the war he rendered great services as an organizer and as a counsellor his experience, skill and resourcefulness of mind were indispensable and made of him an imperial figure.

To the time of his death he was leading a concerted movement to bring British medical education to the highest plane of thoroughness.

The Methodist Ministerial Association elected the following officers yesterday. Rev. George Morris, chairman; Rev. J. B. Gough and Rev. M. E. Connor, secretaries. The coming evangelistic campaign was discussed.
