what under the weather but with his powers of observation in excellent work-

"Just look at that," he murmured. Then taking off his hat with a more or

O'er rose-wreathed cottage and ivied wall.

There are several heads under which roads may be divided but all the roads about St. John, especially that which leads to East St. John, and more especially that the East St. J says he can give the reason in a nutshell sale with the shear of the blue Moselle. Shell why his country will win. Which leads us to think he has the reason in his headpiece.

* * *

The soldier who left two wives behind before going to the front has already passed through some warlike experiences.

* * *

"Are we downhearted?" is the British cry along the battle front. Sounds like with the reason in a nutshell leads to East St. John, and more especially after the rainfall that has been experienced this week, can be described under the one word, "Awful."

About the only thing that can be said about the roads is unfit for printing in a respectable paper, but—well, just imagine a nice, dark, foggy night. You jump lightly from the car at the corner and land heavily in about six inches of mice mud, color undecided, texture soft, slimy and sloppy. That's only a starter; slimy and sloppy. That's only a starter;

rey along the battle front. Sounds like slimy and sloppy. That's only a starter; one of the "Happy Days" slogans of the R. K. Y. C.

and is now starting to tour New Brunswick.

Speaking of conditions in this part of the country Miss Wood said that the attractions would justfy a tremendous tourist business if they were only well enough known and she referred to the extremely profitable nature of the husis enough known and she referred to the extremely profitable nature of the business which springs from the tourist traffic. Her chief suggestions for improvements would be better hotels in the smaller places and greater publicity for the attractions of the provinces.

Bench, Ottawa, is leading the movement for the Red Cross organization in P. E. Island. Charlottetown is his native city, and he is spending his vacation here. At a great mass meeting in Charlottetown a few nights ago, he made a most effective appeal in behalf of the society. Others active with him in the Poem Written Years Ago By Formatter are Sir William Wilfrid Sullivan, chief justice of the Supreme Court of P. E. Island, His Lordship Bishop O'Leary, Judge Fitzgerald, Judge Hazzard, Premier Mathieson, Rev. Dr. Fullerton, chaplain in Africa with the Canadian Contingent, and other able speaks

The fellow on the corner may think he knows what should be done in Europe, but his thinking apparatus wants oiling.

Sausages seized by Chicago health board contained grains of sawdust. Still semon will insist that sawdust should be fine board.

It is hard for some of the older folks, who still retain memories of the time was fighting the first own was fighting that is now going on in Lorraine there will be universal interest in the following poem, which was witner after the France-Preussian war of 1870, by Dr. F. K. Crosby, who was formerly a partner of Dr. A. F. McAvenney of this city. Doctor Crosby was a native of Newton, Mass., and the was rived who was friends of the Empire.

"What's the news of the war, dearier" asked an old dame of a young lady who had called with some little comforts for roll friend.

"Oh, good news, the Russians have won some splendid victories."

With the big game season opening on the 15th, we'll soon see "Man Mistaken For Deer," trying to crowd the war news off front page.

"Take shame that you should glory in the names of places being brought to light in Europe now make us wonder how we ever got through in geography."

The swam stories of course hold chief interest but Plaibs that the same of the constraint of the propose of the supply to the government.
