The Imperial Meeting Is Off

Latest word received by Canadian Pacific steamship officials today was that the S. S. Metagama would reach port tomorrow at 1 o'clock, and that the Marloch would arrive at 6 o'clock.
On the Marloch are coming Sir Robert Baden Powell, head of the Boy Scouts of the world, and Lady Baden Powell, also Sir Michael Sadler, who was to have addressed a meeting in the Imperial Theatre tomorrow afternoon. Of course the late arrival of the steamship prevents the holding of the Imperial meeting and Sir Michael's arrangements are such that he can give no other time. It is with great regret that those in charge of the meeting announce that it has been found necessary to cancel it.
Sir Robert Baden Powell was in touch by wireless today with Guy Short, district commissioner of the Boy Scouts here, relative to matters in connection with his visit to St. John.

Looking for a Chance to be Good Citizens

WANTED—may refer to the baggage in this case, but these two little people are wanted by Canada, and hundreds more like them are wanted by the homes, and later, by the farms and industries of this country. Tommy Collingwood, aged four, and his three year old sister Daisy, in whom he takes more of a fatherly interest, were members of a party of sixty young emigrants from a Liverpool home on board the Canadian Pacific steamer "Montcalm." They have come to seek a new home in a new land, and are, for the time being, located at Birt's Sheltering Home, Belleville, Ont. Their future will soon, in small measure perhaps, help to determine the future of the Dominion, and as they can type of immigrant which will be of most service to it. Tommy may keep smiling because he has come to a friendly people.
