

FORTY-FIFTH ANNUAL REPORT  
OF THE  
COMMITTEE OF MANAGEMENT  
OF THE  
**St. George's Society**  
OF THE  
CITY OF TORONTO,  
FOR THE YEAR 1879.

---

The Committee of Management beg leave to present the usual Annual report, with its accompanying Financial statement.

The remarks as to the increased demand for assistance made in the report of last year are again applicable on the present occasion.

The funds of the Society have been most liberally supplied, showing a greatly increased interest in its work : but, on the other hand, it is a cause for much regret that the great want of employment for all classes of working men should render necessary so heavy and continuous a demand upon the resources of the Society.
