THURSDAY, FEBRUARY 5th, 1891.

SOUTH OXFORD LIBERALS.

The convention for nominating a candidate to contest the North Riding of Oxford in the Liberal interest is called for the 16th Feb., at Norwich.

It is generally believed among Liberals that Sir Richard Cartwright will again receive the nomination, and that he will not be opposed by any member of the Liberal party. It will be the policy of the Conservatives to play a waiting game and see what turns up. Should a candidate appear and stand on the Reform ticket against Sir Richard, they may do one or two things—nominate a Conservative candidate or fall in and support the so-called Liberal in order to defeat the Liberal nominee. The aim of the Conservatives will be to beat Sir Richard if they can, or at least keep him in the Riding for a part of the time.

At such times as these rumors are always rife. One is to the effect that Mr. Wm. Nanokivell, reeve of Dereham, will be a candidate against all comers. This rumor, however, like many others must be without foundation, as Mr. Nanokivell does not reside in the county as gerrymandered for Dominion election purposes, and would consequently be without the support of the township which he naturally would expect to give him the most votes.

NORTH OXFORD.

The Liberals of the North Riding of Oxford have called a convention for the nomination of a candidate for the Dominion Parliament. The date is fixed for Saturday 16th Feb., in the Town Hall, Woodstock. We have heard of no opposition to the late member Mr. James Sutherland.

The man who is loyal to his native country is the only true "loyalist."

The Conservatives of South Oxford will hold a convention at Mount Elgin, on Monday next.

The Sixth Parliament of Canada is at an end. Acting on the advice of his responsible Ministers, His Excellency the Governor-General has been pleased to dissolve the House of Commons and issue his writs for a new Parliament. Nominations take place on Thursday, February 20th, polling on March 5th. The writs are to be dated February 4th, and made returnable on April 25th.

Mr. Goldwin Smith's address on "Loyalty," was read before the Toronto Young Men's Liberal Club, Monday evening. In this address the student of history shows how in other lands and other times the cry of "Loyalty" has been made to cover the basest and most selfish treason. In this address also the man who has unselfishly labored for what he believes to be Canada's true interest gives a dignified but not less crushing answer to those who have sought to hide their own vulgar or base designs or their own lack of principle by noisily calling him a traitor.

Prof. Shaw of the Ontario Agricultural College says that the four avenues most open to increase in agricultural production are beef-making, cheese production, mutton production and butter-making. Each of these industries may be almost doubled, which means that the beef trade could be made to bring in from \$8,000,000 to \$10,000,000 annually, and the cheese trade could be made to bring in \$15,000,000 to \$20,000,000 annually. Here is a direction in which the farmers can work with success. The best of everything and the most possible of it, should be their aim.

The greatest and most laughable farce is Mrs. Jarley's wax works.

BEN'S FACTS FROM—We have ten cases nice, sweet Valencia Oranges which we will sell at 25c per dozen for Christmas and New Year trade.

SOUTH OXFORD LIBERALS.

The Annual Meeting of the Association. The President of the Association was held at Mount Elgin on Thursday afternoon. The President of the Association, Mr. W. H. Jones, occupied the chair. He welcomed his friends in the constituency that we were on the eve of a general election; expressed his confidence in Mr. Laurier as leader of the party; and expressed the hope that in this and every other riding Reformers would be ready for battle whenever it was brought on by the Government.

The following were elected officers for the ensuing year. President, John Sheahan; Vice-President, W. S. Ferguson; Secretary, Treasurer, G. W. Hare; Auditor, A. McFarlane and M. S. Schell. The following were elected Vice Presidents for each municipality: North Norwich, J. Farrington, H. J. Woodrow, A. Fraime and Mr. Eyrilow; South Norwich, W. Sherwood, Jas. Addison, M. Durkee, W. W. Austin, John Rock; North Oxford, D. Morrison, W. Oliver, Andrew Dunn, John Smith; East Oxford, Thos. Neil, R. W. Vorman, John Rice; West Oxford, W. G. Francis, Jos. Dickie, B. Thornton; Dereham, J. Foster, Jas. Sturton, J. Miller, W. Ryan, Thos. Wessinger, J. Fulton; Ingersoll, J. Polimore, V. H. Bailey, M. T. Buchanan, Jas. Vance, P. Kennedy, J. B. Jackson; Tilsonburg, W. Forbes, C. Thompson, J. C. Ross; Norwich, Dr. Franks, H. J. Dager, W. F. Coker.

President Sheahan then took the chair and thanked his fellow Liberals for the honor done to him. He reviewed briefly some of the salient features of the party's history in its struggle for good government in Canada. He advised united action upon the part of all Liberals, and predicted an early triumph of their cause.

A resolution, moved by Mr. M. S. Schell, seconded by Mr. Alex. McFarlane, expressed the confidence of the party in Hon. O. Mowat as Leader in the Province of Ontario, and in Hon. Wilfrid Laurier in the Dominion; also the continued approval of the Liberals of the Riding in Dr. McKay as representative in the local House, and of Sir Richard Cartwright in the House of Commons.

The question of delegates to the Toronto Convention was dealt with, the Vice-Presidents in the various polling sub-divisions, who desire to go, being appointed as such delegates. Provision was also made for others to go as delegates by arrangement with the officers of the Association.

Mr. James Brady of Ingersoll then addressed the meeting and in a stirring speech warned members of the party against allowing any local or personal consideration to prevent or at any other time to divide them or to divert their attention from the struggle for good government in which they had been so long engaged.

Dr. McKay, M. P. P., followed, dealing with current political topics in an able and earnest speech. He counselled unity and enthusiasm on the part of Reformers in South Oxford and everywhere, and expressed confidence in the early triumph of the party in the Dominion.

The utmost harmony and enthusiasm was apparent among all present.

MINOR CHRONICLES.

Notes of the Town and Vicinity.

Another fall of snow has brightened up the sleighing.

Petitions for local option are being circulated in Tilsonburg.

Mr. David Robinson of Dereham, is about to erect a fine brick dwelling.

A grand concert for the evening of St. Patrick's day is on the tapis.

A stove has been placed in the hose tower to facilitate the drying of the hose.

Mr. Royal Brink, of West Oxford, has plans out for the erection of a brick dwelling.

A couple of bright sundogs were noticed in the sky shortly after sunrise yesterday morning.

It is rumored that the old Ingersoll foundry has been disposed of to a Chatham firm.

The telephone in the town clerk's office is to be placed outside of the counter for convenience in case of fire.

A. Boan, Bright; L. A. Price, Mt. Elgin; Justus Cohoe, Norwich, and W. H. Millman, Woodstock, are attending the meeting of the Central Farmers' Institute in Toronto.

At a meeting of the Directors of the North Riding of Oxford and of the East Oxford and Blandford Agricultural Societies on Saturday, both the East Oxford and Blandford Societies resolved to unite as heretofore with the North Riding Society for exhibition purposes.

Some means should really be taken to reduce the danger to pedestrians from the slippery character of the stone pavement.

There have been a number of minor accidents during the past week, and much more serious ones may follow. Aches or sadist should be more generally used.

There is something fascinating about offices. Men will break their necks and spend time, money and wind to become clerks, in which office there is plenty of hard work and no pay. But there are reasons. Some do it for the benefit of the community; others do it to bring themselves into prominence, that party rewards may drift their way.

The death of Charles Bradlaugh which has been expected for some time is announced. A champion among the secularists, and a radical in politics, Mr. Bradlaugh raised up against himself a host of opponents; but he won respect by the high personal character and the ability, courage and sincerity with which he stated his views. He has been chiefly spoken of in late years in connection with the struggle over his right to take or dispense with the oath of allegiance. He at first refused to take the oath, and was not allowed to take his seat. Afterwards he offered to take it (the oath), but was refused permission to do so, and when he took his seat in the House he was forcibly ejected from it. During these struggles his constituents in Northampton re-elected him again and again. After the general election of 1885 he was allowed to take his seat. The early days of Mr. Bradlaugh were passed in extreme poverty, and it was by dogged courage and persistence that he forced his way to a foremost place in the ranks of British public men.

Severe Cold Cured.
Dear Sirs.—My mother was attacked with inflammation of the lungs which left her very weak and never free from cold, till at last she got a very severe cold and cough. She resolved to try Hagar's Pectoral Balsam, and on so doing, found it did her more good than any other medicine she ever tried.

Mrs. KENNEDY, 50 Smith Ave., Hamilton, Ont.

THE TOWN COUNCIL.

The Fire Brigade to be Reorganized—The Steamer and Hand Engines to be Sold—A Petition for Local Option.

The council met on Monday evening in regular session all the members being present, the mayor in the chair.

Resolutions were read from the Board of Trade re fire department. The officers of the Salvation Army invited the council to their grand Social Reform meeting on Wednesday.

The Kings Daughters applied for the free use of the town hall for the purpose of giving an entertainment in aid of the Industrial School.

The Board of Education applied for \$1000.00.

ACCOUNTS.
The following accounts were read—W. H. Jones, (from last year) \$3.02; G. F. Gurnett, \$7.50; H. Goble, \$30.65; H. Rowland, \$39.60; W. H. Jones, \$3.02; G. F. Gurnett, \$7.50; H. Goble, \$30.65; H. Rowland, \$39.60; W. H. Jones, \$3.02; G. F. Gurnett, \$7.50; H. Goble, \$30.65; H. Rowland, \$39.60.

The report of the chief of police for January was submitted. Also a report re the number of nights on which the electric light was furnished.

The Salvation Army applied for the free use of the hall on Wednesday afternoon.

BOARD OF WORKS.
The Board of Works reported that they had appointed Mr. Bartley chairman for the year. They also recommended that the chairman be authorized to put down a tie drain across King Street to drain the surplus water at the corner of King and Thames streets. Also that the chairman be authorized to order fifty concrete tiles from E. North for use in the spring. Adopted.

MARKET COMMITTEE.
The market committee recommended the payment of the following accounts—G. A. Turner, \$8.00; Kneeshaw & Co., \$2.00; McMillan & Morrison, \$1.00; Wm. Thompson, \$6.00; J. Wilkman, \$2.00; Buchanan & Son, \$7.42; Jas. Wright, \$47.00; these amounts being brought forward from last year.

On motion the report was adopted.

FIRE, WATER AND GAS COMMITTEE.
The fire, water and gas committee recommended that the chairman be authorized to have the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter. That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter. That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter.

The fire, water and gas committee recommended that the chairman be authorized to have the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter. That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter.

The fire, water and gas committee recommended that the chairman be authorized to have the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter. That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter.

The fire, water and gas committee recommended that the chairman be authorized to have the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter. That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter.

That the chairman be authorized to make provision for attaching hose reel to the telephone placed outside the clerk's counter, and to have railing 36 inches high along the whole length of the counter and a lock placed in the door of the said counter.

be paid—D. O'Grady, meals \$7.15; H. Rowland, \$39.60; W. H. Jones, \$3.02; Free Library Board, balance of last year's estimate, \$214.30; Dr. Walker, medical health officer, \$25.00.

The following amounts were placed to the credit of the various committees:—Indigent \$75.00; Market \$80.00; Police \$10.00; fire, water and gas, \$50.00; Board of Works, \$50.00; each of the Wards, \$25.00.

On motion of Mr. Williams, seconded by Mr. Waterhouse, Mr. H. Richardson, was appointed a member of the Free Library Board for the next three years.

Mr. King drew attention to the present disagreeable state of the lock up, and suggested that some steps be taken to put it in proper shape.

On motion of Mr. Pardoe, seconded by Mr. Waterhouse the police committee were authorized to attend to the matter.

The Mayor appointed a committee consisting of Dr. Williams, Messrs. Waterhouse and Berry to deal with the petition from the W. C. T. U.

The account from Dr. Dickson was referred to the finance committee.

Council adjourned.

PERSONAL.

Mr. R. Venning, jr., of Mossley, is learning piano tuning at the factory here.

Rev. N. Burns, of Toronto, was visiting his brother, Mr. T. H. Burns, this week.

Mr. Dan Carroll of Detroit formerly ticket agent in the G. T. R. here is visiting in town.

Mr. John Podmore is travelling in the Western States in the interests of Messrs. J. L. Grant & Co.

Mr. Jos. Gibson occupied the pulpit of the Central Methodist church, Woodstock last Sunday morning and evening.

Rev. D. H. Moorhouse will preach at the morning services in connection with the half yearly session of the Assembly in old St. Paul's church, Woodstock.

Mr. J. A. Richardson, manager of Imperial bank, has been laid up for the past few days with an attack of scarlet fever. Although quite ill, we are pleased to learn that his condition is not dangerous. Mr. Max Richardson, from whom his father contracted the disease, has entirely recovered and returned home.

We learn that Mr. R. J. Drummond, the efficient dairy instructor, has been approached by a member of the government with a view to securing his services for the new dairy school to be established. Unfortunately Mr. Drummond was in position to accept the offer this year, and we understand has been retained for next year.

Mr. Walter Mills, who has so successfully managed the gas business in Ingersoll for a number of years, and who has creditably filled various positions in the town council, has been appointed superintendent of Ontario of the North Western Stone and Marble Co., of Detroit. This is the company that laid the pavement here during the past two years. Mr. Mills will make his headquarters at Ingersoll, but will be absent a good portion of the time superintending contracts in the different towns and cities in the Dominion.

CHURCH SERVICES.

BAPTIST TABERNACLE.—Rev. J. F. Barker Pastor. Services every Sabbath at 11 a.m., and 7 p.m. Prayer meeting on Monday evening at 8 o'clock.
