

THURSDAY, NOV. 13, 1902.

THE "WATCHMAN" FOR 1976.

SPECIAL announcements in reference to next year's paper will appear in our next issue. For the early information of those who may desire to subscribe, we would state that we will publish a paper of 82 pages per year... In addition to the paper, we will also publish a magazine of 30 to 50 pages per year, containing the same matter as the paper, but in a different format.

NEW STEAM FIRE ENGINES.

The Charlevoix engine is a very complimentary note in an advertisement of the new steam fire engine. It is a very modern and efficient engine, and is well adapted for use in fire departments.

SIR JOHN A. MACDONALD AND POLITICAL AFFAIRS.

Today we give our readers the benefit of a speech by Sir John A. Macdonald. He discusses the political situation in Canada, and the role of the government. He speaks of the importance of the railway and the need for national unity.

MANAGEMENT OF THE RAILWAY.

Mr. Blyden has been selected as the manager of the railway. This is a very important position, and it is hoped that Mr. Blyden will do a very good job of it.

THE RAILWAY.

The railway is a very important part of our national infrastructure. It is a means of transportation that is essential to the growth and development of the country.

SIR JOHN A. MACDONALD AT THE WHITE BANQUET.

The Opposition Leader visits the White Banquet. He was well received, and his speech was very well received by the audience.

He Visited the Arts of his Government.

Mr. Macdonald visited the arts of his government. He was very interested in the work of the artists, and he was very complimentary about their work.

The Right Honorable Sir John A. Macdonald.
