RAILWAY COLLISION

Passenger Train Ran Into Freight-Fireman Killed.

Omaha, Neb., Jan. 24.—The first sed tion of a Union Pacific passenger train, West-bound, which left here at 4 o'clock yesterday afternoon for Denver, ran into n freight at Gothenburg last night. Fireman P. L. Dobson, of the freight train. was killed. The other trainmen escaped by jumping. The officials say no passengers were seriously hurt, although several received minor injuries. Both trains were totally wrecked.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or describe with pen," writes Jas B. Ambrose, Esq., of 1205 ½ Mifflin St., Huntingdon, Pa. "I was taken lidectored with the best around here and found no relief. I wrote you, and you advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped—being cured. I have no symptoms of gastric trouble or indigestion now."

If you ask your dealer for "Golden Medical Discovery" because you have confidence in its cures, do not allow yourself to be switched off to a medicine claimed to be "just as good," but which claimed to be "just as good," but which you did not ask for and of which you know nothing. You can get the People's Medical Ad-

viser, 1008 pages, paper covers, free by sending 31 one-cent stamps, to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

nection with the proposed transcontin- scheme poisons from the sys- ental lines which are projected by the Quebec Trans-Canada railway.

Speaks on Trude and Railway Matters— Canada Needs Another Trans-continental Road.

Toronto, Jan. 24.—Mr. A. E. Ames, retiring president of the board of trade, entertained a large number of representative men at a private dinner at the Toronto club last might. Premier Ross was one of the principal speakers, touching upon education, transportation and population. Canada, he said, should act to produce skilled workmen, should make people of Great Britain recognize the importance of her resources, should make the whole trade of the Canadian Northwest pass through the Dominion, and should definitely choose which port of the Dominion should be used as the Canadian outlet. The Premier also said Canada needed another transcontinental rallway, and could afford to-day to spend ten dollars on national development for every dollar spent 25 years ago.

There is nothing to equal it for stopping that tickling sensation in the throat, and the persistent cough that keeps you awake at right.

Price 25c, at all Dealers. QUICKEST AND MOST EFFECTIVE. I have used Dr. Wood's Norway Pine Syrus in ray family for the last six years, and have found it the quickert and most effective medicine for all kinds of cought and colds I have ever used. My Ittle boy had a severe attack of bronchitis, but before using half a bottle of the Syrup he was completely cured. I cannot praise it enough. MRS. WM. J. FLEWELLING, Arthur, Ont.

THE ALASKAN BOUNDAY DIS

WILL BE SUBMITTED TO JOINT COMMIS

British Ambassador and Secretar Signed Treaty-Interview W Sir Wilfrid Laurier.

New York, Jan. 26.—The New Herald's Washington corre

ect of diplomatic friction between Inited States and Great Britain e and Sir Michael Herbert, the imbassador, signed a treaty to again the irritating Alaskan b estion to a joint commission ment. It may or may not this particular time is rega ovides that each government commissioners. nade for a new neutral umpire commission is to determine the pretation to be placed on the tree 825 between Great Britain and I which defined the boundaries b British America and Alaska.

"The proposition is virtually the as that brought forward by the A an members of the joint high co sion three years ago, but was re by the British and Canadian repr ves. It has taken three years ain the consent of the British and adian governments to adjust the b ary dispute on this basis. It is a stood that the treaty was draw after thorough consultation with treating members of the Senate of political parties, the administration siring to do everything possible i vance to secure its ratification. work soon as the treaty is ratific "The absence of the provision referee who would be affiliated neither government is due to the

prevailing sentiment in which the ance of power must be held by ne outside the United States. Thu situation in the commission will be that the United States cannot lose the members of the commission apped by the President stand together. hope of favorable results for the Un States lies in the efforts of the Un States commissioners to win over their view one of the British com "The Alaskan boundary dispute related to the actual boundary between Brit Columbia and Alaska. There was dispute between Alaska and Great ain when Alaska was ceded to the I

ed States. The British governmerer pressed its claim for the terri which lies within the boundary renized by the United States until the covery of golden Klondike. Great I in says that if her claims could be ained she would gain sovereignty the territory at the head of the I canal, the two forks of which lead Chilkoot and Skagway passes the Klondike. The dispute was re red in 1898 to the joint high commis which disagreed after a session of eral menths in which time the ma boundary has been compromi he modus vivendi drawn by Secr Hay and Lord Pauncefote, which ed the point on the Lynn canal and chighways of travel in that region w American sovereignty for the tin ing ended and British control arily began. The modus vivendi remain in effect until some decisio reached by the commission now p treaty will be sent to the Senate at of Secretary Hay has conferred with leaders of the Senate regarding it

is believed it will be acted

(Special to The Times.) Ottawa, Jan. 26.-It is understood the ere will be no conditions attached arbitration in connection with t Alaska boundary. The whole questi will be submitted for arbitration. Wh maiter came up before the joint h commission it was proposed by the Uned States that Dyea and Skagway ecognized as United States territor atter what the arbitrators might t In this regard the present treaty nore advantageous to Canada, but acking in finalty with an umpire, result there should be it will be li obtained by the Americans get e British representative over t iews. If it should be otherwise, e United States Senate would in obability throw out the treaty. S any rate are some of the view

ressed to-day.
