Department of Indian Affairs,  
OTTAWA, 5th December, 1901.

The Secretary:

The Burnt Church Band has agreed by Resolution in Council to the expenditure of \$1000.00 if necessary from the capital funds of their Band for the purpose of assisting them in putting up a combined schoolhouse and council house on their reserve.

Before any further action can be taken I think it will be necessary to have full information as to the style of building it is proposed to erect so that plans could be prepared either in the Department or by a local architect on which tenders could be asked for, if it is proposed to build by contract. Such information would be required also even if the Indians ~~are~~ intend to do most of the work themselves.

This band has \$2760.00 to their credit.
