#### ANNUAL MEETING OF THE H. M. SOCIETY.

Rev. E. C. Cady, Vice-President in the Chair.

Dr. Hurd moved the following resolution:

*Resolved*, That the funds of our Union Society, appropriated to ministerial education, shall be expended entirely upon young men taking a full course in Acadia College, and upon young men studying in the Baptist Seminary at Fredericton, who have been regularly licensed to preach in connection with our denomination.

Adopted.

Because of the adoption of the above Resolution, Bro. Cady felt it to be his duty to withdraw all further connection with the Society and its Board, stating that while he remained a member of the Board, he *would not* violate the instruction given by the Society, nor could he conscientiously obey it in this particular. He accordingly left the Chair, and called Bro. Coleman, another Vice-President, to preside over the meeting.

Moved by Bro. Todd, that we accept the resignation of Bro. Cady, and tender him the thanks of the Society for services rendered in the past.
