March Weather Rheumatic Weather Victims Can Cure Themselves With Dr. Williams' Pink Pills.

With the coming of March people who are afflicted with rheumatism begin to have unpleasant reminders of their trouble. The weather is changeable—balmy and springlike one day, raw, cold and piercing the next. It is such sudden changes of weather that sets the pangs and tortures of rheumatism, lumbago and sciatica going. But it must be borne in mind that although weather conditions start the pains, the trouble is deeply rooted in the blood, and can only be cured through the blood. All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatism. That's why Dr. Williams' Pink Pills have so many thousands of cures of this trouble to their credit. The new, rich blood which they actually make drives out the poisonous acid and rheumatism is vanquished. Among many sufferers from rheumatism who have been cured by this medicine is Miss Mary B. Kelly, South Dummer, Ont. Miss Kelly says: "Some time ago I had a very bad attack of rheumatism. At times I would be confined to bed for a couple of days and would seem almost paralyzed with the intense pain in my back and legs. At such times I could not walk and my joints were stiff and swollen. I consulted different doctors and took their medicine, but did not get more than temporary relief. At this time a neighbor advised me to try Dr. Williams' Pink Pills and I got a supply. After taking a few boxes I found they were greatly helping me, and I continued their use until the trouble completely disappeared. I can strongly recommend this medicine to others who suffer as I did from the pangs and tortures of rheumatism." If you suffer from rheumatism, or any other disease of the blood, begin to cure yourself today with Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at \$2.50 per box, six boxes for \$15.00 from The Dr. Williams' Medicine Co., Brockville, Ont.

YOUR BABY'S SKIN

is the most delicate fabric in the world. You may cause it permanent harm by using poisonous mineral ointments for the little rashes and eruptions that every baby suffers from occasionally. Don't take any chances. Use Zam-Buk, the baby's best balm. Zam-Buk is made from fine herbal extracts, and is free from any harmful poisonous coloring matter. Like the grasses and the flowers, nature has colored it green. It is nature's own healer! Most ointments and salves have, as their foundation, various animal oils and fats. Zam-Buk does not contain one atom of animal substance. Most ointments and salves are too coarse to be absorbed by the tender delicate skin of a baby, and remain on the skin an irritating mass. Just put a little Zam-Buk on baby's skin, and see how soon it is absorbed, showing conclusively that the pores of the skin are greedy for it. Use nothing but Zam-Buk for baby's skin troubles and wash with Zam-Buk Soap. Zam-Buk should also be used for cuts, burns, scalds, eczema, piles, ulcers, etc. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price.
