

Shoes For Young Folks

Dainty, Desirable and Durable.

This is really the month for the children, what with school closing, graduation and confirmation June makes demands upon the parents for footwear perhaps more so than any other month. Our Young Folks' Department is now in full stock. Boots, Ankle Ties, Mary Janes, Oxfords, Slippers and Barefoot Sandals. The most popular shoe for hot weather dress occasions is our Mary Jane, made like unto a Colonial in Patent and Gun Metal at \$1.40, \$1.65 and \$1.85. It is surprising the amount of wear these little shoes will give.

SUPPOSED DESERTER FOUND IN HOSPITAL —BADLY WOUNDED—

Special to The Standard
Ottawa, June 3.—A young Montreal soldier belonging to one of the battalions at the front has been absent from his regiment for some time. He did turn up when his fellow soldiers fought the battle of St. Julien and as his name did not appear amongst the prisoners in the hands of the Germans it was concluded that he was a deserter. Tonight, however, a cable to the militia department states that he has been found in a French hospital with wounds in his head and shoulder. "He is not much of a deserter," said General Hughes smiling.

SELF-DENIAL DAY TO AID BELGIANS PROVES A SUCCESS

Indications Are That a Goodly Sum Has Been Donated.

COLLECTION TODAY

Committee Asks That Autos be Loaned to Collect Boxes.

There is reason to believe that the response to the appeal made for aid for the necessitous Belgians by observing yesterday as a day of self-denial will be of generous proportions. Mrs. E. Atherton Smith, regent of the Royal Standard Chapter, I. O. O. E., says that interest in the movement was not confined to St. John, as is shown by the fact that Mrs. Burden, of Lonsdale Farm, Westmorland county, has sent \$25 towards the fund, and Mrs. D. Lea Babbitt and Miss Mary MacLaughlin, both of Fredericton, have forwarded \$2 each. It is expected that other gifts from outside points will be forthcoming.

The work of distributing the boxes in homes, and in public places, has been one requiring considerable time and patience, and three days were taken by the ladies to complete this undertaking. As it is wished to collect all the boxes today the Chapter hopes that friends having autos will be good enough to place them at disposal for the day, or at all events part of the day, so that the collection may be made speedily. Those who are willing to provide autos are asked to telephone Miss Travers, Sydney street, (phone No. 2855-31) early this morning in order that the Chapter may know exactly how far this request can be complied with. Householders and others having boxes are warned not to part with them, in any circumstances, to any caller who is not wearing the Belgian relief badges.

A Generous Gift.

Employees of Messrs. G. E. Barbour Co., Ltd., yesterday made a generous gift toward the field kitchen fund, following the good example set by workers in other establishments. BOY SCOUTS MAKE AN IMPRESSION ON KING'S BIRTHDAY

One Hundred and Seventy Sturdy Youths Parade Streets.

MEET AT Y.M.C.A.

Receive Many Compliments on Their Perfect Alignment

Last evening the people of St. John had the opportunity of seeing the Boy Scouts of the city, about one hundred and seventy strong, when they paraded along the principal streets. Each troop marched from their depot to the main muster point at the Y.M.C.A., and it was not until about 7.30 o'clock that the command quick march was given. The parade was in charge of City Commissioner R. Ingleson and as each troop swung into line the people gazed at the ruddy youths with pleasure and pride.

The Rothery Collegiate Band and troupe, under Sergt. Doole, led the procession. The order followed: Germain St. Baptist, under R. Ingleson; St. James, under S. M. Gordon Holder; Queen Square Methodist, under S. M. Galloway; St. Jude's under S. M. Scott; St. Paul's under S. M. McPherson; Waterloo St. Baptist under S. M. Thompson; Fairville under S. M. Allan.

A large throng of people lined the streets and watched the scouts as they marched past. Many were the compliments paid on their appearance and they marched in perfect step with the precision of veterans. Each troop had its own scout flag, patrol banners, Union Jack and drum.

Several scouts carried banners on which were inscribed "Remember the Belgians," "Feed the 1,500,000 children." These banners had been prepared by Daniel McNally, Queen St., who, although an invalid, showed his interest in the scout movement by presenting them to the scouts for their parade.

After the parade the scouts were assembled again at the Y.M.C.A. where City Commissioner Ingleson commanded the Scout Masters to fall out and complimented them on their splendid turn out and the good appearance of the boys.

Many persons will be pleased to know that the Boy Scout Movement is now governed by a Scout Council under the presidency of Mr. A. C. Skelton, who has the movement well in hand. Rapid strides are being made in the development of the movement in this city. A new enthusiasm seems to have seized the boys, new patrols are being formed rapidly and there is every reason to believe that several other churches will have troupes in the near future. The Boy Scouts have come to stay and the parents could help a great deal by showing more interest in the work of their sons.

CANADIAN MEN IN MOVIES.

As a special feature at the Opera House tonight and for the balance of the week, the latest release reel of the famous Gaumont Graphic will be shown. Some of the scenes in the pictures show the Strathcona Horse, King George opening parliament, Canadian Infantry in France, King George and the Canadian forces at Salisbury Plain, a wonderfully sensational scene in East Prussia showing the Russian army going into action; the New Zealand infantry; a review of Canadian and other colonial forces passing through Trafalgar Square; French prisoners of war in the German detention camp in Belgium; and other scenes in Belgium and France, all full of interest. The reel shows 1,100 feet of the latest war pictures, every foot full of action and interest.

MEN OF 26TH BATT. GIVE THREE CHEERS FOR HIS MAJESTY

Acclaim That Rises From Khaki Clad Men Is Inspiring

CIVILIANS JOIN IN

Military Aspect Marked Contrast To That Of Last Year

The 26th Battalion left the armory yesterday morning about nine o'clock and went for a route march out to the Loch Lomond road. On the return to the city after the march, the regiment lined up on the three sides of King Square, Charlotte street, Imperial place and Sydney street. The file and drum band played the National Anthem while the whole battalion stood at attention. Lt. Col. McAvity then called for three cheers for His Majesty the King, which was given with a will. The acclamation that rose from these khaki clad men was very inspiring. Many of the by-standers also joined in, but it is to be regretted that there were some who did not even uncover their heads. After showing their respect for their sovereign and flag the regiment paraded to the barracks and they were dismissed for the rest of the day.

Outside of the usual routine of work the Construction Corps spent yesterday very quietly. Several detachments were given the day for a holiday.

The military aspect around the city on the King's birthday yesterday was a marked contrast to that of a year previous. On that occasion the 32nd Fusiliers and 23rd Dragoons observed the day with a sham battle on the Sandy Point road, one force (the Reds) defending the city, and the other (the Blues) acting as the besiegers. Instead of the scarlet clad militiamen of a year ago, yesterday smart and grim khaki clad men paraded the streets awaiting their turn to help in subduing the present enemies of England.

Massachusetts Knights Made Many Friends In St. John

In the Knights of Columbus Council 937 rooms last evening the 3rd degree was exemplified by Judge Jos. J. Merley of Boston and his degree team, who included Jos. P. McCarthy, Ed. C. Grady, Dr. Rich. Kirby, Jas. Quine, Wm. Muloon, Geo. McLaughlin, Senator Patrick H. O'Connor and J. M. Cunningham all of Massachusetts.

Over sixty candidates were initiated and the exemplification of the degree was one of the most impressive ever seen in the Maritime Provinces. A large number of Knights from outside places were present at the ceremonies. Some of those present were Hon. F. J. Sweeney, Deputy District Hamilton, Moncton; J. D. Creighton, New-castle; Rev. Dr. McPherson, president St. Francis Xavier University, Antigonish.

The members of the degree team, who have been in the city for a few days, will leave this morning for Boston. During their stay here they have made a large number of friends.

The exemplification of the 4th degree will take place in the city some time next month. This will be the first time this degree was ever exemplified in St. John.

This evening the members of Council 937 will hold a re-union in their rooms on Coburg street, during which a vocal programme will be rendered.

Musical Examination.

Jas. S. Ford, who has been appointed examiner in music for McGill University in this city, conducted some of the examinations yesterday, and will continue today. Some of the examinations are being taken in Trinity church. Many are awaiting the results with interest as St. John pupils have always been successful in past years.

The latter states that he will offer a prize for the best all around athlete at U. N. B., next year.

The Gold Dust Twins' Philosophy

NOW you have often said—"Oh dear, I dread when eating time comes near. It's not so much the cooking, grub, but cleaning after,"—there's the "rub." Each kitchen holds a mass of work, no tidy little wife should shirk.

Gold Dust vs. Kitchen Worry

The kitchen floor, the kitchen sink, the kitchen kettles and the pans, the silver, glass and cups and cans; wherever you may look, the toil means more than any kettles boil. To just "prepare" a meal is "fun," but work, with THAT is scarce "begun."

If those who stay up days and nights to win the cause of "Women's Rights" would only vote the GOLD DUST PLAN they soon would have the best of man.

More time for comfort and for smiles; more time to play a woman's wiles, for once the GOLD DUST TWINS appear, Hard Labor's cry you never hear; frail woman is a queenly soul who plays the "Take-it-Easy" role. Each GOLD DUST package sets her free by bearing out its guarantee, and never more those household woes that every weary woman knows. Pile up the dishes as you will, the GOLD DUST TWINS

will clean 'em still. Old floors and woodwork sinks and pans, turn out as Master Cleaner Plans. From sun to sun, and chore to chore, your tasks will fret you nevermore.

PTE. E. D. FLETCHER WRITES OF HORRORS OF EUROPEAN WAR

Says One Soldier Had Six Bullet Wounds In His Body.

HANDS BLOWN OFF.

Germans Maim Women And Children In Shelling Towns.

In a letter dated "Somewhere in France," May 14th, Private E. D. Fletcher of No. 1 Field Ambulance writes:

We are back in a large French town resting after the recent battles of which you have read. I was kept busy in the dressing hospital all day and all night. I saw some of the most frightful wounds imaginable, some chaps had their hands blown off and some had their legs blown to pieces. One fellow came in with six bullet wounds in his body and he was so cheerful that you might have supposed he had been having a good time.

When we are off duty we play ball. I have been pitching for a change. We have had three games and won them all. The weather here is glorious and the gardens look beautiful. The Germans have taken to shelling all the towns within reach and a large number of women and children have been wounded. It is terrible to think of the work they are doing in Belgium.

We are having dinner early today as we have to go to the station to load up the Red Cross train with wounded. It is wonderful the way these trains are fitted up for the comfort of the men. As soon as they are settled on board the nurses give them hot chocolate. The nurses rank as officers.

The other day was market day in this town, and it was amusing to see the display of goods on the road and sidewalk, vegetables, eggs, dry goods, hardware, etc. It was a busy place for a few hours.

Yesterday there was a band concert by an English band. It was a good one and reminded one of the Carleton Cornet Band on King square.

I must hustle off now and load that train, so good by.
