

WELSFORD BED IN THE DUCHESS OF CONNAUGHT HOSPITAL

Sum of \$35 raised already towards this worthy object.

Welsford, April 12.—The inhabitants of Welsford have donated forty-five sheets for the use of the soldiers and the same will be sent by express this morning.

Miss Mabel Woods, who has recently graduated from Dr. King's private hospital, Portland, Maine, is visiting her grandmother at Clarendon. Her sister, Margaret, a graduate of the Royal Victoria Hospital, Montreal, has volunteered for the front and expects to leave some time this month.

Mr. Eddie Armstrong of Mr. H. W. Wood's store has reserved a space in the store for the reception of home-cooked eggs, ice cream, etc., and by this means the handsome sum of \$35 has already been realized. The object is to obtain \$50 to endow a bed in the Duchess of Connaught's Hospital to be known as the "Welsford bed."

The many friends of Stephen Speight will regret to hear of the accident to his face by the shoeing of an ugly horse. The injury is, it is hoped, only slight. Mr. Speight is to be congratulated in passing his examination in horse-shoeing.

The funeral took place yesterday (Sunday) afternoon of Olive Isabel McCullum, daughter of Mr. and Mrs. Thomas McCullum, of North Cloves, Interment was made in St. Peter's church burial ground. Rev. D. Jenkins officiated. Deceased had only been ill about two weeks, and on Friday morning passed away a victim of bronchitis. The funeral was largely attended despite the bad state of the roads. Our deepest sympathy is extended to Mr. and Mrs. McCullum and family in their sad bereavement. Deceased was nine years and seven months old.

A slight thunderstorm visited the locality last evening shortly before midnight with sharp lightning and heavy rain.

DOMINION SOCK DAY.

Owing to a misleading statement having gone abroad that the socks sent to the Red Cross Society of St. John do not reach the soldiers in the trenches, we would like to inform the workers who have helped so faithfully that from the outbreak of hostilities every means have been taken to see that these articles for our soldiers' comfort do go direct to them. Efforts made by any other society can only eventually go through the same channel as ours: i. e., through Sir Geo. Perley, who works for the Canadians, and then to the Red Cross Society of England for distribution.

The 20th of April, instituted by the Toronto Red Cross Society as "Sock Day," will still be observed by the local Red Cross Society, and all socks sent to this branch on Chipman Hill, St. John, before or on that date, will be gratefully acknowledged.

(Signed) KNITTING DEPARTMENT OF LOCAL RED CROSS SOCIETY.

POLICE COURT

William Beattie, reported for allowing his wagon to stand on the street for one hour and fifteen minutes, pleaded guilty and was fined \$10. Beattie stated that he was loading the team at the time and was not aware that he was breaking any law. Officer McNeill testified that the wagon could be loaded in ten minutes and that there was no horse attached to the vehicle during the whole period.

George Henley, a member of the detention company, who was arrested for being drunk and creating a disturbance in their barracks on King Square, was allowed to go with an escort. He stated that it was continually being done on the quiet and that he had done it openly and did not think there was any harm in it.

John McGinley, charged with drunkenness and profanity, was sentenced to \$8 or two months in jail on each charge.

POSTAGE STAMPS FOR PREPAYING WAR DUTIES ON BANK CHEQUES

A convenience that will be much appreciated by the public.

Ottawa, April 11.—The Post Office Department, having given notice a week or two ago, in connection with the War Revenue Act, that all letters and postcards mailed in Canada for delivery in Canada, the United States, or Mexico, and letters mailed in Canada for delivery in the United Kingdom and British possessions generally, or wherever the two cent rate applied, should in addition to ordinary postage carry a one cent stamp as a War tax, and also having notified the public that such war tax, while it should be paid preferably by the postage stamp marked "War Tax," could, if such stamp were not available, be paid by an ordinary one cent postage stamp, is now issuing further notice to the effect that postage stamps may be used for the prepayment of war duties on bank cheques, bills of exchange, promissory notes, express money orders, proprietary or patent medicines, perfume, wines or champagne, as well as upon letters and postcards, postal notes and post office money orders, the intention being to provide facilities for those portions of the country where excise stamps are not readily available. This in view of the fact that postage stamps may be obtained at all points over the whole country, in many places where there is no Collector of Inland Revenue and no Inland Revenue stamps could be obtained, is a distinct convenience to the public, and no doubt will be largely taken advantage of.

HOPEWELL HILL.

Hopewell Hill, April 10.—The "sock social" held on Monday evening by the Willing Workers Mission Band in the Baptist church was a financial success the sum of \$16 being realized. An interesting programme of musical selections and recitations was given and ice cream and cake served gratis by the young ladies of the band.

An "at home" was held on Thursday afternoon in the vestry by the ladies of the Missionary Aid Society and a pleasant afternoon spent.

The Patriotic League met on Tuesday p. m. at the home of the secretary and over thirty hospital shirts and a quantity of handkerchiefs cut out by the ladies and distributed.

A concert and play entitled "Packing the Missionary Barrel" was given last evening by the pupils of the Riverside Consolidated School in their assembly room, and reflected much credit on Miss Mildred Murray, graduate of Mt. Allison, to whose untiring efforts much of the success of the evening was due.

Mrs. William Hoar of Moncton is visiting her mother Mrs. Robert Newcomb.

Noble Steeves and family of Memel have moved into the house formerly occupied by Mrs. Jennie Rogers.

Mr. and Mrs. Herman Steeves and family are removing to Curryville this week.

Deal hauling has stopped from Memel to the saw mill creek for a couple of weeks until the roads are in an improved condition.

USING STEEL INSTEAD OF COPPER IN CASINGS FOR GERMAN SHELLS

Furnes, Belgium, April 12.—According to the report of a Belgian artillery officer, in charge of munitions captured from the Germans, the latter are now using steel casings for their shells. This officer reports that the substitution of steel for copper has proved very successful, the chief drawbacks being that the steel casings take more time in manufacture, and that when they split in a gun the weapon must be bored out before it is again fit for action. These casings are cheaper than the brass shells in ordinary use, and if they continue to prove successful the copper problem of Germany will be in a large measure solved.
