TO DATE OF THIS LETTER

I have to acknowledge the receipt of your letter of the 27th ultimo, No. 55340 referring to medals for councillors in the Fisher River Agency.

In reply I respectfully beg to state that the councillors for whom I made a request for medals, in my letter of October 19th last, are Councillors appointed to newly created offices, for which offices no medals have been issued by the Department.

The only successors to the offices of Councillors was in the Peguis band who received the medals of the councillors who failed to be re-elected.

I have the honour to be

your obedient servant

J. H. Carter
