U. of T. Send Brandon Coyotes To Holes With 8--1 Victory

Students Showed Brilliant Reversal of Form and Got Back Two-Goal Margin in First Period—Westerners Had No Alibi.

THE STORY.

	Won.	Lost.	For.	Agst.
'Varsity	1	1	8	3
Brandon	1	1	3	8

WINNIPEG, March 21.—By Canadian Press.—The Allan cup goes east. The Toronto 'Varsity hockey machine, which surrendered the trophy to the west last year, made a strong comeback tonight, came from behind with an avalanche of goals, to defeat the Brandon team, 8 to 1, in the final of the two-game series, and proved beyond all doubt their right to be termed amateur champions of Canada. The wonderful reversal in form of both teams was another of those strange happenings in hockey. The easterners, after getting back in the first period the two-goal margin which they lost on Saturday night, and after being outplayed for ten minutes in the second session, finally opened fire, and in jig-time had put the game and the Allan cup away with one of the most brilliant exhibitions of sharpshooting seen here in many a day, scoring four goals. This was enough to cinch matters, but just to show the west that they possessed the class, they added two more in the final session, and trotted off the ice in the final session winners of the round, 8 to 3.

Desperate Struggle.

For thirty minutes the teams fought desperately for supremacy, as it was soon apparent that the students were a much different aggregation from the one that went down to a 2 to 0 defeat on Saturday. The Onario champions had the best of the breaks to have a two-goal margin in the first session, long, shots by Ramsay doing the trick, while Brandon failed to tally on some very close plays. But when the Manitoba boys tallied early in the second period it looked like anybody's game. For ten minutes of that second session Brandon more than held their own, and had their opponents backed up against their own goal. But all of a sudden the students opened an attack, scored in ten minutes, and then ran in three more by a brilliant exhibition of stick-handling, teamwork and shooting, and there was no more fight left in the Brandon brigade.

From then on to the end of the game the 'Varsity crew were masters of the situation and sustained the reputation they brought with them as being wonderful finishers, as they deserved their victory through superior playing.

Making good their threat to take the measure of their opponents in the second meeting, the 'Varsity boys showed everything and more than the advance notice warranted. Their fast skating, dazzling combination and sharpshooting could not be improved upon, and they broke up the Brandon attack so successfully that they held them to one goal. But at no time did the Brandon team show the form which they uncovered on Saturday.

The game was hardly as thrilling as Saturday's, but it was a splendid exhibition of all-round hockey in which every trick of the game was unearthed. 'Varsity played the man more than the puck, and in this way slowed up their opponents. Bill Carson at centre came back to life with a vengeance, uncorked a dazzling display of puck-carrying, and outshone his rival, Bob Armstrong, so much so that he turned the tide completely for his team. Jack Langtry, in goal, was again a source of trouble for the Manitobans, as his work, particularly in the first thirty minutes of play, when Brandon traveled its fastest, was marvelous. McNeil was the only man to beat him, when he skated right through the whole defence and slipped the puck into the net. The work of Frank Sullivan and Ned Wright on the wings was scintillating, the former touching his best speed during the fierce bombardment in the last few minutes of the second period.

Brondon.		Varsity.
Stewart	Goal	Langtry

ON THE ALLEYS

Some good bowling was turned in last night at the London Bowling Association's tourney. McGowan rolled high in the doubles with a count of 661, McDonald was next with 643. Hodges was the big noise in the singles, with 695, and was high individual scorer with 244. The scores:

Doubles.

			Handicap	Total
McGowan	184	174	255	48—661
Hunter	172	224	161	48—605
	356	398	411	96—1,266
Wilson	171	188	194	12—565
McDonald	148	227	196	72—643
	319	415	390	84—1,208

WHO'S NEW IN MAJORS

FRED HEIMACH.
Pitcher Athletics.

Born—Camden, N. J., January 27, 1902.
Bats and Throws—Left handed.
Weight—172 pounds.
Height—6 feet.
Club in 1920—Raleigh, Piedmont League, finishing season with athletics. This was his first engagement.
Best Feat—Winning 11-inning, 1-to-0 game from High Point, 1920.
1920 Record—Won 11 out of 29 games, fanning 188 men and passing 48.

SARNIA IMPERIALS PRESENT STRONG ELEVEN FOR SEASON

SARNIA, March 21.—Sarnia Imperials are the first team in the city to come forth with a list of their prospects for the coming year. Already they have signed on some of the pick of the city for the coming season, with the best of their 1920 team, augmented by some newcomers who are said to be faster than anything yet trotted out. Mitchell, their cannonading centre forward, who was out of the game last year with an injured foot, will be back this year, and with Russell, Stitt and Henderson of last season's speedy forward line that brought the shield to the team, and a draft of other material to pick from they reckon themselves strong enough to give the best of them a run.

Included on the list already signed up are: R. Stitt, D. S. McMillan, R. Humphreys, R. Thorpe, A. F. Adams, H. Mitchell, R. G. Reid, A. Wilkie, T. M. Dubois, W. D. Henderson, W. Wincott, P. Fleming, R. A. Menzie and J. Hobin.

Officers for the coming year are: President, F. S. Dent vice-president, R. Galloway; secretary-treasurer, J. W. Boswell; manager, J. McNair; captain, R. Stitt; vice-captain, D. S. McMillan; executive, J. McNair, C. Chapell, T. Willis, Geo. Galloway, F. McComb; trainers, W. Tennant, F. McComb, F. Griffiths.

WINDSOR BOXING.

WINDSOR, March 21.—Phil Murray of Hamilton, knocked out Jock McArthur of Windsor in the sixth round in the main go of a boxing card at the armories tonight. In the semi-final Jean Larue knocked out Jimmie Price in the third round.

QUEBEC YOUTHS NO MATCH FOR MIDGETS, WHO WIN 13 TO 5

Meet Falcons From 'Peg Next in Memorial Cup Finals.

TORONTO, March 21. — Stratford juniors defeated Lower Canada College, junior champions of Quebec, tonight by a score of 13 goals to 5, and will therefore meet the speedy Falcons of Winnipeg Thursday and Saturday of this week for the memorial cup. The game was hopelessly one-sided, but the little Montrealers were game all the way through. Several of them are under 16 years of age. Eveleigh, their centre player, weighs only 105 pounds. The winners were much heavier and faster, and Lower Canada was outclassed in all departments.

Stratford merely romped through the game. In the first period they worked through the easterners' defence time after time. When it was seen during the second period that the Montrealers had no chance, Carson and Morenz, who are popularly regarded as Stratford's whole team, were taken out and kept on the bench until the end of the period.

The game was fast and clean, with some perhaps unnecessarily heavy body-checking by Stratford. The losers came in for plentiful applause for the tenacity with which they clung to their checks, and the spectators cheered lustily whenever they upset one of their bigger opponents. The line-up:

Lower Canada.		Stratford.
Basin	Goal	Ruston
Joslin	Defence	Robson
Robertson	"	Richards
Eveleigh	Centre	Morenz
Mickles	R. Wing	Carson
Smith	L. "	Roth
Gorrie	Spares	Swanson
Roncarelli	"	Pratt

FALCONS NEXT.

FORT WILLIAM, March 21.—Winnipeg Falcons speeded their way to a second victory over the Fort William Y. M. C. A., junior champions of the Thunder Bay League, tonight by a score of 11 to 4. As the Abbott Cup winners won the first game by a score of 9 to 3, it makes them winners by 13 goals on the round.

Mfrs. Athletic Slated For June

New Cup For Annual 12-Mile Roadrace Won by Dellow Three Times.

A week from tomorrow night, an organization meeting of the London Manufacturers' Amateur Athletic Association will be held in the Y.

It is planned to make the 1921 athletic track meet the best in the history of the M. A. A. A. After dispensing with the annual competition during the war the events were revived last year with remarkable success, but another year has elapsed since, making for better conditions.

It has been decided that Saturday, June 18, is the most suitable date. It is the third Saturday in the month, and it has been suggested that it be reserved as the M. A. A. A. day each year.

The annual 12-mile road race for the London Free Press trophy, and medals for the first three runners to finish will as usual be the feature event of the meet.

When James Dellow of Toronto captured the road race last year, he permanently carried off the silver cup, having won the honors as well in 1914 and 1915. Another cup will replace the original.

St. Marys Cage Teams Leave London Far In the Rear

ST. MARYS, March 21.—The local C. I. basketball fives overwhelmed two London teams here tonight, the girls defeating Technical School team by a score of 29—4, and the boys leaving the L. C. I. quintet, 34—2, in the rear.

In the girls' game, the visitors kept the score down to 4—1 for the first period, but faded after that. The local boys made no secret of their intentions and had the score, 15—2, in the first half of their game.

Markel refereed.

R. WARREN PRESIDENT OF NORWICH BOWLERS

At the annual meeting of the Norwich Bowling Club the following officers were elected: President, Richard Warren; vice-president, A. W. Delong; secretary-treasurer, C. G. Hulet.

The club is planning to buy the green from the Miller estate. It was decided that the annual tournament would be held on Wednesday, August 17, 1921.

This club was organized in April, 1907. The secretary, Mrs. C. G. Hulet, has held that office continuously ever since, and was elected last night for the fourteenth consecutive time. The green which has been kept up by the club, and which it purposes buying, is considered to be one of the finest in Oxford County.

Western Ontario Secondary Schools Association Is Now Accomplished Fact

Twenty-One Charter Members in New Body, Which Will Co-Ordinate Athletic and Litreary Efforts of the Schools in Area.

The balloting for the officers of the Western Ontario Secondary Schools Association closed last week with 21 charter members in the new organization.

Following are the officers of the new association for the next two years: Honorary president, Hon. R. H. Grant, minister of education; honorary vice-president, E. S. Little, Mayor of London; president, E. A. Miller, M.A., London Collegiate Institute; vice-president, C. L. Brown, M.A., Sarnia Collegiate Institute; secretary-treasurer, G. Mel. Brock, B.A., Western University; councillors, G. S. Campbell, M.A., Windsor Collegiate Institute, A. M. Overholt, M.A., Brantford Collegiate Institute, W. J. Salter, B.A., Woodstock Collegiate Institute, J. F. Ross, M.A., Seaforth Collegiate Institute.

This new body will take office on June 1 next, and as the constitution of the association has already been adopted, it remains for these officials to map out plans for supervising the literary and athletic activities of the high schools and collegiate institutes of Western Ontario.

It is hoped that the new association will be able to carry out the following program, commencing next fall, for the boys: Rugby and soccer; basketball, debating and hockey in the winter, and a track meet in the spring. The girls' program comprises field hockey in the fall, basketball and debating in the winter, and indoor baseball played outside in the spring.

Basketball Tourney.

The basketball tournament which is being held in the local armories on March 31 and April 1 will be conducted under the auspices of the W. U. A. A., as will a monster track meet on May 21. With the consent of the donors, the trophies will then be turned over to the new association, as all competitions in future will be directed by them.

The Western University authorities deserve a great deal of credit for the work they have spent in bringing into being this association, which should prove such a benefit to the students of the secondary schools.

It is understood that a similar organization is being undertaken in Toronto for the students of Central Ontario, and it is hoped that this will be followed by one in Eastern Ontario.

Every Ball Player Has His Idol But It's Not the Same Man

No matter how good a ball player is, he isn't really peerless, though Frank Chance had that title as a leader. Every ball player has his favorite for a definite position, and this was well illustrated at a small dinner party of well-known major leaguers in the south last week.

The party at the table included a pitcher, who is one of the greatest in the game today; an outfielder who must rank with the first three, and a catcher who, in his day, was a famous backstop. Names need not be mentioned; maybe they should be, but they won't be, as "Babe" Ruth remarked.

The talk drifted to first basemen, and it stayed there. It ended in a deadlock.

Here were three great ball players, and they could not agree on the greatest first baseman of recent years. They made only three first baseman No. 1 in their ranking list.

It all came about when the pitcher asked "Who is the greatest first baseman in recent years?"

"Hal Chase," we said, thinking there could be no dispute. It simply started something.

"Why do you pick Chase?"

"Why not?"

"What could he do?"

"What couldn't he do?"

"I'll answer my question and I'll answer yours. He could field bunts. No first baseman that ever lived could come close to Chase on fielding bunts. He would grab them along the first base line, near the pitcher's box; he would grab them anywhere within a mile of first. And he could beat anybody in the game throwing to any base on a bunt. They couldn't sacrifice by bunting toward first; they couldn't work the squeeze by bunting there. Chase looked after the pitcher and he looked after the second baseman when it came to bunts.

"And now I'm going to tell you what Chase couldn't do. He couldn't cover first. He couldn't take throws. He was never on that bag. He was always off and did you ever happen to notice the number of wild throws made to first?"

"But Chase played deeper than any first baseman that ever lived. He covered more ground," we ventured. "He told his infield to throw to the bag, always, and he would take care of the throws. And he would take care of the throws. And he took care of them. He pulled them out of the skies, dug them out of the dirt, grabbed them far to the right and far to the left. I never wore out any pencils scoring errors on balls going by Chase. Admitted that a bag is not much of a target to throw at and admitted that Chase was hardly ever on the bag when the throw started, still he got the ball, got it quicker than anybody else in his day or since and gave everybody a thrill doing it."

"You're all wrong. I'll tell you who the greatest first baseman of all time was and is—'Stuffy' McInnis. I'd take 'Stuffy' over all these other dudes. There is one first baseman—McInnis. Never lived a man could field like he can. He is always on the sack. And how many times have you seen 'Stuffy' miss a thrown ball—eh? You see, you don't know.

"That McInnis, there's a baby that can field, oh boys, how he can field. Nothing gets by him. And don't forget he can hit that old pil, 'Stuffy' can.

"Anytime you field a ball on an infield where McInnis is playing first you don't have to die of nervous prostration waiting for him to get to the bag and you don't have to throw in the direction of the grandstand instead of to a fielder; you got 'Stuffy's' old reliable glove for a target. And anyway he's a pal of mine."

There came an interruption from the catcher.

"We've had this whole place to ourselves for the last half hour, which is just as well. We'd probably driven everybody else out with this argument. Anyway the man wants to close up. Let's dig."

"Well, you haven't voted. Who do you say is the greatest first baseman?"

"Hal Chase. Who's got the hat check?"

"You're both wrong," interrupted the outfielder. The greatest first baseman is George Sisler. He can do my first basing any day he feels like it. Nothing flashy about him, but he covers a lot of ground, does everything a first baseman is expected to do, and does it well. He knows what is demanded of the position. No one ever pulled a force play at second better than Sisler. He has a good arm, throws a ball easy to handle and is sure on taking a thrown ball."

Crank Who Threatened Man o' War Gets Three Months

PHILADELPHIA, March 21.—Harry T. Lamey of Chester, Pa., who threatened to harm Man o' War, Samuel D. Riddle's famous race horse, was sentenced today to three months in the county jail at Trenton, N. J. He had pleaded guilty.

Lamey admitted that he wrote a letter to Mrs. Riddle, wife of the owner of Man o' War, threatening her and the horse with bodily harm if he was not paid $10,000. He declared that he had not intended to force payment of the money, merely "wanting to see what the Riddles would do."

Ban Johnson Takes Stand On Probe Resumption

CHICAGO, March 21.—Grand jury investigation of the 1919 world's series baseball scandal started last week was resumed today, when Assistant States Attorney George E. Gorman finished reading the minutes of the last grand jury investigation of the matter.

Several important witnesses, including B. B. Johnson, president of the American League, are expected to be called tomorrow before the grand jury.

Neitzke Being Groomed Slabman by Duffy

Neitzke started twice in the box for the Boston Red Sox, in the Saturday and Sunday games. The Sox were beaten twice by George Gibson's Pittsburgers. Neitzke started the first game, and ended the last one.

Ernie must have developed a lot more in the winter months than he had when here as a slab artist, though he showed signs of bursting out any day with something real tantalizing in the way of slants in his final attempts from the local hill. Certainly Duffy is grooming him for hurling duty, or he wouldn't start him twice.

Brantford Now Has Its Own Baseball Commish

BRANTFORD, March 21.—A federation for the control of amateur baseball in Brantford became a reality at a meeting of the various clubs in the city tonight, and as a result practically all amateur baseball of the city will be under one central organization.

The move is considered by baseball men to be the biggest and most important for baseball in this part of Ontario. The following officers were elected to the federation: President, Ross Beskett; vice-president, Vince Tracey; secretary-treasurer, Eugene Leggett.

The meeting was well attended, and many of the matters which are to be brought before the O. B. A. A. annual meeting were threshed out. Brantford has a number of complaints to make against the usage at the hands of the O. B. A. A., and these are to be taken up immediately. O. B. A. A. representatives in the city have not been notified as to the amendments, and as a result a protest will be made against the action of Secretary Dulmage.

FIRST MIRACLE PILOT

George T. (Tweedy or Tecumseh) Stallings, the "Miracle Man" of the Boston Braves and, incidentally, the original "Miracle Man" of baseball, will this year prepare several youngsters for Detroit, Stallings has taken over the Rochester team and is ready to school battery recruits for the Tigers. Stallings has much success with pitchers and catchers, but chiefly catchers. He developed George Gibson of London, Ontario, now manager of the Pirates; Oscar Stanage, fromer star backstop of the Tigers, who came to Stallings off the sandlots; Bill Killifer, famous as the battery-mate of Grover Cleveland Alexander; Jimmy Archer, he of the squat throw, one time a Tiger, and who became famous as a member of the Chicago Cubs; Ed. Sweeney, the tall backstop of the New York Yanks for a period of seasons; Hank Gowdy, hero of the late war and Boston's world series hero; Wallie Schang, used with considerable success by Connie Mack. Quite a creditable list for any coach or manager.

W. F. A. INTEND TO RAISE ITS FEES

Annual Meeting Friday Will See Some Amendments Proposed.

KITCHENER, March 21.—Besides the usual business of the 42nd annual W. F. A. meeting on Good Friday, including the nomination and election of officers, the following proposed amendments to the laws of the game and cup competition rules will come up for discussion:

1. Change of the last clause of paragraph 1, article 7, page 2, to read: "The executive shall recommend to the annual meeting the amount to be paid to the secretary-treasurer as an honorarium for the previous year's services."
2. To change "Match Committee, article 11, page 3, to "Emergency Committeee," and extend its powers.
3. To provide for an increase in revenue by:
   (a) Raising the affiliation fee.
   (b) Increasing the registration fee.
   (c) Sharing in the gross gate of all final and immediate semi-final matches to the extent of 25 per cent.
4. To conform to the recent changes in the O. F. A. and D. F. A. rules, none of which are radical as far as W. F. A. rules are concerned.
5. Add to rule 12: "Nothing in this rule, however, shall prevent the president from using his good offices to try to effect an amicable settlement of the matter in dispute between the two parties."
6. Change "the holders of" in rule 5, page 15, to "contestants for," and "third" to "last."
7. Omit rules 4, 6, 7, 8, 9 and 10 from Hough Cup Rules, and change rules 5, 11 and 12 to Rules 4, 5 and 6.

A meeting of the executive committee will be held prior to the annual meeting, at 10 a.m.

Mfrs. League Closes At Meeting Tonight

McClarys Will Be Awarded Brisco Cup For Year.

At a meeting of the Manufacturers' League tonight at 8:15 in Brisco's sporting goods store, the custody of the Brisco Cup will be awarded to the McClary team for another season, owing to the fact that they finished the season head of the league. This will not give them credit as champions of 1920-21 as far as the cup goes, but they are as a matter of actual fact entitled to the honors, as a result of the play-off being impossible.

Just when interest was getting redhot over the Manufacturers, the weatherman horned in, and upset what threatened to be the best hockey dished up during the whole London season.

However, the league made itself a lot of friends during the past season and may look forward to still better things for next year. No league in the past has delivered a better brand than that displayed throughout the season just closed and the circuit is a big factor in any hockey program of the city for the future.

As well as awarding the cup, the division of the season's spoils will be made to the teams, by the executive. Any foot-loose bandits would do well to get inside information on the homeward routes of the various team secretaries.

STRATFORD HAS THREE TEAMS IN W. F. A.

Over Fifty Attended Last Night's Meeting in the Classic City.

STRATFORD, March 21. — Stratford football enthusiasts plan to make themselves heard this year in W. F. A. circles. Tonight at the annual meeting of the Stratford club there were upwards of fifty in attendance, and the general tenor of the delegates indicated that Stratford is due for a revival of its pre-war football fame.

Three teams will be entered in the W. F. A. this year, senior, intermediate and junior, and from all indications there is material aplenty to draw on. "Charlie" Borthwick, former local star, who lost a leg in France, will manage the senior team; R. H. Cornish, the intermediates, and N. R. Flebig, the juniors.

The collegiate are also planning to contest for the Hough cup.

The officers elected were: Honorary presidents, A. J. Roberts, Mayor Gregory and D. A. McLachlan; honorary vice-presidents, H. Knechtel and E. Clark; president, N. R. Flebig; vice-president, E. Roher; secretary-treasurer, W. Connelly; field official, A. J. Meldrum.

Delegates to the W. F. A. annual at Galt on Good Friday are: E. Roher, N. R. Flebig, J. E. Withnell, R. Cornish and M. Graham (Hough Cup).

Referees—N. R. Flebig, E. Clark, D. A. McLachlan, E. Harmer, E. Roher, J. Bull, C. Hansuld, R. Kilgour, H. Lamb, F. Redhead, E. Shewling, C. Loth, A. Downs.

Pick Good Referees For L. and D. Soccer

Referee Board Will Examine Applicants At "Y" Tomorrow.

The referees board of the London and District Soccer Association will meet tomorrow night at the Y. M. C. A. to examine all applicants for a place on the staff for the coming season.

The London and District have an efficient but very small number of referees at hand, and are anxious that any old footballers, who feel that they could make good, come before the board and try the examination.

The London and District Council realize that if they are to get the best of the coming season, which has all the earmarks of being an epochal year for soccer in this part of the country, they must have good refereeing. Any amount of good football can be spoiled by poor handling, and it is not proposed to have this season's program mussed up through lack of good referees, if they can be found.
