

An Act to vest in James Taunton, a certain allowance for Road in the Township of Southwold.

WHEREAS the original allowance for Road between Lot number Preamble.
 Ten in the Second Range East of the River Road and Lot number
 Forty, South of Talbot Road East, presented great obstacles to its being
 rendered fit for travel, and in consequence thereof a new Road was es-
 5 tablished across and through the fronts of Lots numbers forty, forty-one and
 forty-two, whereby a part of the said lot number forty, South of Talbot
 Road East was severed and detached from the other part of the said Lot;
 And whereas the proprietor of the said Lot number forty never
 received any compensation for the land taken for the said new Road, and
 10 whereas James Taunton, of the Township of Southwold, farmer, has
 purchased and now owns the said part or parcel of Lot number forty
 so severed as aforesaid which adjoins other property of the said James
 Taunton, and whereas the said James Taunton hath petitioned the Le-
 gislature to vest in him so much of the said original allowance for Road
 15 as lies between the point where the said new Road diverges from the said
 original allowance for Road in front of the said Lot number forty, and
 the boundary line between the said Lot number forty and the Lot num-
 ber forty-one adjoining the same, and whereas it is reasonable and
 proper to grant the prayer of the said petition; Therefore Her Majesty,
 20 &c., enacts as follows:
