

Woman's Outlook on Canada's Future

THE splendid spirit and patriotic endeavor of Canadian women has been one of the outstanding features in Canada's war effort. They have unsparingly given of their time and energy in the interest of the Red Cross and innumerable other activities which have come as a result of the war.

Thousands of Canadian women have been anxious to devote part, if not all of their time, in directions where their work would prove of advantage.

Registration will be the means of bringing to these women the opportunity they have desired.

The purpose of registration is to learn the exact capabilities of Canadian men and women, and the information gained through registration will make it possible for Canada to direct effort from less essential to more essential occupations and to widen the scope of woman's usefulness.

Every Woman

On June 22nd, every woman of sixteen years and over must attend at one of the places provided for registration between the hours of 7 a.m. and 10 p.m. and there truthfully answer all questions set forth upon the registration card. Failure to register means heavy penalties—as Registration is law.

Volunteer Workers Needed

The registering of 5,000,000 people in one day is a stupendous task, and voluntary helpers are urgently needed. Individuals, women's societies, clubs, fraternal societies, church organizations and municipal organizations are asked to help. The Board appeals with confidence to the patriotism of every

Canadian woman and to the pride which every locality must take in doing its own work well, to furnish the necessary number of volunteer deputies and assistants.

Those willing to offer their services should apply to the Registrar in their district.
