

An Edison Phonograph means A Merry Christmas for Every Member of the Family

For Father

who comes home tired but eager to be amused, who cannot afford the theatre for himself, to say nothing for a large family, who enjoys the old ballads such as "Robin Adair," "Highland Mary," "Annie Laurie," and "Home Sweet Home," the Edison Phonograph is an ideal Christmas present because it gives him the music that he loves, sung by great singers, at a less expense than attendance at theatre or concert, and by his own fireside.

For Mother

who loves sacred music and who does not often have an opportunity to hear "The Palms," "Holy City," "Gates Ajar," or "Lead Kindly Light," as sung by the great tenors and sopranos of the city churches, but who can enjoy this music at home with the aid of an Edison Phonograph just as often and just as fully as she cares to listen, and who will find in the ownership of an Edison Phonograph and the Records that she loves a perpetual reminder of the affection of the family that presented them to her.

For Big Brother

who would go to the musical comedy and variety show oftener if he could and who likes the sort of things a fellow can whistle, and wants to hear "Hellow People," or "The Glow Worm," or "Cuddle up a little Closer," or something of that kind, the way they sing it at the shows or at the halls, and who could hear these things that way, because an Edison Record faithfully reproduces the exact mannerisms of the singer as, for instance, in the Harry Lauder Records, if he could only be so fortunate as to get an Edison Phonograph for Christmas.

For the Children

because each and every one of them—bless their hearts—enjoy music, especially the kind of music they can march by or sing to, and because one Phonograph will delight and entertain an entire circle of children, so that absolutely the best Christmas present for every member of the family and for the whole family is an Edison Phonograph.
