

MY DREAM.

One cold, cheerless night, after a day of un-
resting toil in the school-room, I was glad to
repose my aching head upon my pillow, and
lose for a time the horrid realities of a peda-
gogical life in slumber.

I do not remember of falling asleep, but as I
lay thinking out plans for the future, my eyes
were suddenly opened, and a pale, ghastly
light was shining in my chamber. My senses
seemed dead, and my mind as that of another
person. It seemed as though I was being made
the sport of a bright fancy.

Suddenly, waked to my ears upon the clear
air, came the sound of a bell—so clear and dis-
tinct, so heavenly in its sound that my mind
was charmed, and I gave myself up to the
beautiful sounds which mingled with the
resplendent light, seemed to me like the music
of fairy-land.

For an unimaginable space of time I en-
joyed the blissful state I was in, when a violent
craze to my ears, saying, in distinct tones:
"Close upon a lead of the future, I threw up
the ash of my window and gazed out.

One of those college boys, who were having
a spread in their rooms when there came
a thudding knock at the door and they
asked who was there.

"It is I," said the voice, "and I have
come to see you." "Who?" "The
voice of the college president." "Oh, no,"
said the boy, "I have never given my name
to any one." "I would have said it is
I," he went on, "and the baffled dignitary
went."

"I do not remember of falling asleep, but as I
lay thinking out plans for the future, my eyes
were suddenly opened, and a pale, ghastly
light was shining in my chamber. My senses
seemed dead, and my mind as that of another
person. It seemed as though I was being made

Scrofulous Affections.

Humors are caused by a vitiated condi-
tion of the blood which carries disease to
every tissue and fibre of the body. Ayer's
Sarsaparilla purifies and invigorates the
blood, and eradicates all grades of the
scrofulous taint from the system.

I have used Ayer's Sarsaparilla, in my
family, for Scrofula, and know, if it is
taken faithfully, that it will thoroughly
eradicate this terrible disease. I have
also prescribed it as a tonic, as well as an
alterative, and in every case it has pro-
duced the most beneficial results. It has
been blood medicine compounded by Dr. J. C.
Fleming, M. D., D. D. S., Lowell, Mass.

For years my daughter was afflicted
with Scrofulous Humors, Loss of Appetite,
and General Debility. She took Ayer's
Sarsaparilla, and in a few months, was
cured.

By Taking
A few bottles of Ayer's Sarsaparilla my
eyes and stomach have ceased to trouble
me, and my health has been restored.—
C. Richmond, East Sauge, Mass.

I was severely troubled, for a number
of years, with an affection of the Stomach,
and with Weak and Sore Eyes—the re-
sult of inherited Scrofula.

Three years ago I was greatly troubled
with my Liver and Kidneys, and with
general debility. I tried several remedies,
but received no benefit. I then used
Ayer's Sarsaparilla, and in a few weeks
I was cured. I can now do any kind of
work, and I feel as well as ever. I can
attest to the fact that it has cured me.

The many remarkable cures which have
been effected by Ayer's Sarsaparilla
are a sufficient proof of its efficacy.

Ayer's Sarsaparilla is a
powerful blood purifier. For this pur-
pose it is superior to all other
preparations. It is a tonic, and
improves the general health. It is
sold by all druggists and
grocers.
