for Columbia Records will appear the Dal campus tomorrow night at the first International Record Hop in history. Starting the year off with a bang, the Dal Rink Rats have helped bring the American vocal star to Studley in co-operation with Radio Station CJCH. Along with Jerry will be six D.J.'s, two of whom are from south of the border.

Joe Smith, of WVDA in Boston and Norm Tulin, WORL, Boston, will be here from the Tea Party will be here from the Tea Party City, along with four CJCH disk jockeys. Bill Fulton, M.C. on "Breakfast with Bill"; Cy Lynch, who spins "Platter Parade"; Ron Roberts of the "Cloud Club", and that friendly old starduster, Fred Hearne from "Sandman Serenade". All these boys will be right here in persons at the Dal gym.

Part of the Record Hop will be broadcasted over CJCH on the (Continued on Page 6)

New Look Given Men's Residence

Men's Residence begun last year at Christmas, have been completed during the summer recess. These changes, carefully designed to make maximum use of existing floor space have immensely improved the service offered Dal students.

The greatest changes have taken Appoint Pharos Co-Editors place in the dining hall. Here a more efficient cafeteria has replaced the older and slower system. In addition, the large center counter has been removed as well as the book store and an other room formerly located at the east end of the dining hall. Thus with this increase in space, 128 people can be accommodated at one time.

> chairs, the sanding and staining of the floors and the redecoration of the walls.

Where the old study room used Flyers was also televised by the to be on the right of the main entrance, one now finds the Students' which will probably be pictured Book Room. Here in this pleasant and well lighted room, Mr. Roy W. Atwood and his staff are now located. From this larger and more convenient location, they have been able to handle a record number of students more quickly than ever before reports Mr. Atwood. Mr. Atwood, who has been operating the Dalhousie Students' Book Room for twenty-six years had the highest praise for the students' co-operation during the rush of the past few days.

Other improvements include the purchase of eighty steel nesting

At present he is a professor at the Yale Medical School. Dr. Bonner was at Dalhousie on behalf of the Natural Cancer Society. While here he consulted with Dr. J. A. McArthur and Dr. J. Gordon Kaplan who are also doing research on enzymes.

Dignity Stressed

Dignity was in the Dalhousie air as the frosh gathered. Instead of pea-pushing they were offered tea. In place of tarring and feathering there was a giant scavenger hunt.

Under the paternal eye of a Student Advisory Committee appointed by the University Senate the reception, which set off a week of welcome was under the direction of the Council of Students. tion of the Council of Students.

Dal Enrollment

Indications are that there has

been an increase in enrolment at

Dalhousie this year. Pete Bennett, chairman of the initiation commit-

tee, reported about 300 freshmen

came in including 85 who entered

engineering and 35 new commerce students. Last year 266 freshmen

registered. The first year Law class should stand at 63.

All students on the campus, particularly students from foreign countries are invited to attend Thursday's meeting. Anyone interested in participating in the club and unable to attend the meeting are asked to contact Dennis Madden

Hot Grid News!

The Dalhousie Tigers met the rejuvenated Stadacona football team on Thanksgiving Day and when all the whistles had stop-ped blowing the favored Tigers found themselves on the short end of a 17-12 score. Big 'Buck' Taylor scored all three of the Navy's touchdowns while Dave Bryson picked up the two ma-jors for the Tigers.

Behind 12-6 at half time, the Tigers came alive early in the third quarter as Bryson scooted 55 yards for a touchdown on a beautifully executed reverse play. Stad came back in the dy-ing minutes of the quarter to score an unconverted touchdown and take the lead 17-12. In the fourth quarter Bryson reeled off a spectacular 80-yard touchdown run only to have the score nulli-fied by a penalty to Dal on the play. The Tigers could do noth-ing after that the score remain-

firmation of any alterations be made so that no major conflicts in student activities on or off campus will occur during the year. Gym engagements and social data may be procured from Alex Campbell at Gazette Office or 2-3982.

It is suggested also that con-However, the above figures are approximate. Miss Beatrice Smith, registrar of the university, advised the Gazette on Thursday morning that accurate figures would not be available until sometime this week. Students continued to register all
