

knows you mentioned about
Ernest Stewart. It is too late
for words to think of that
beautiful, generous, natural
woman being so heated!

I am enclosing a snap-
shot of our house at the
Island & hope you will some
time be able to spend a few
days with us there.

Hoping your labor troubles
will be few in the coming year
& that your ideals may ever
soar high & that God may bless
your Believers men, as ever
I am very sincerely yours

My dear Billy.

In the midst of
your busy life, can you
take time to read a
few good winter from
your old friends, John &
his husband.

It is appreciated to
the fullest extent your
