Ottawa, 2nd March, 1905.

Sir,-

With reference to my letter of the 23rd ultimo, I have to inform you that the Chief Engineer of the St. Lawrence and Adirondack Railway has promised to have a very full investigation made of the drainage required adjacent your land, as soon as the weather conditions will permit, and whatever is found to be the duty of the Railway Company will be done for you.

Your obedient servant,

Secretary.

F.W., McD. Jacobs, Esq.,
