Questioned by the Accused

Q- Did you witness an experiment which was
performed on 27 May 45?

A- Well, yesterday afternoon, May 27th,
Mr. MacAllister came into the office
about 3:30 and using two tables and a
chair he went over the partition between
the Paymaster's office and the sleeping
quarters where the safe is kept, without
touching the ceiling or the top of the
ledge.

Q- Was it done easily?

A- Yes, sir. I would say it was.
