

heart, I can see the good worked by what appeared an evil time. Perhaps each of you could say likewise? "

Truly they could. Thus from evil doth the All-wise educe good.

And here must close this chronicle of Golden Hills. The influence which had been so powerful for good hitherto was not removed; but its sphere of action was enlarged by addition of the talent of wealth.

In spite of the attempts upon his life, and the drain upon his diminished resources, Mr. Kingston had continued his benevolence to the stricken people about him. He had had his revenge, but it was a revenge that met with the approval of his Lord and Master.
