

Over in the promised land.

- 1 We thank thee Lord for the Sabbath school,
Here we may learn the golden rule;
Here we may read the words that lead
Over to the promised land.

CHO.—Away, away, away, away,
Over yonder in the promised land,
Away, away, away, away,
Over in the promised land.

- 2 We sing the praise of a Saviour's love,
And tread his paths to heaven above;
There we'll receive a royal crown,
Over in the promised land.

- 3 We'll kneel in prayer that God may bless,
The Sabbath school with righteousness;
Thus we may go from sin below,
Over to the promised land.

- 4 Oh, what a happy world 't would be,
If we were all from sin set free,
And ev'ry heart were now to start,
Over to the promised land.
