

There are few articles that we cannot make or produce. We now have an opportunity to find out what we can do. All of these new resources will develop business and the activity which results in good times.

Canadians should and will bring in "THE GOLDEN AGE."

## ***CANADIANS,—BELIEVE IN THE FUTURE OF YOUR COUNTRY!***

### *A VISION OF GREATNESS*

Rt. Hon. R. L. Borden, Premier of the Dominion:

"There are children within sound of my voice who will see the Overseas Dominions surpass in wealth and population the British Isles; there are children playing in your streets who may see Canada alone attain that eminence."

### *AN AUGURY OF FUTURE PROGRESS*

Hon. W. T. White, Minister of Finance:

"That we have been able to withstand the shock of this world-shaking catastrophe and recover so quickly is to me nothing short of marvellous, a conclusive proof of the fundamental soundness of our country and its institutions, an unqualified tribute to the prudence and energy of our people, and an unmistakable earnest and augury of our future progress and greatness."
