A Valuable Asset

Financially, in respect to life insurance, is **GOOD HEALTH**. Without it a man cannot secure to his dependents the munificent results of life insurance; therefore, while you enjoy good health, make the necessary provision for the protection of your dependents in the event of your death, before the fell hand of disease lays hold of you and you are debarred from investing life's valuable asset to such advantage.

THE COMPOUND INVESTMENT PLAN

—OF THE—

North American Life Assurance Co.

exactly meets the requirements of a large number of insurers, and may be just the policy you desire under which to make the above provision.

The North American has a larger ratio of assets to liabilities and net surplus to liabilities than any other Canadian Company.
