

At McCLELLAND & GOODCHILD'S!

THIS is the answer most frequently given by Sabbath School teachers and others when asked where they buy the books for their SABBATH SCHOOL LIBRARIES. We believe our name is mentioned oftener in conversation of Sabbath School librarians, superintendents and teachers with reference to book purchasing than that of any other book firm in the country.

WHY?

BECAUSE:

We have an unsurpassed, comprehensive stock of all varieties of books.

We have carefully studied library requirements.

Our long experience in handling this branch of the book business enables us to offer an intelligent and capable service which is appreciated and acknowledged constantly by an increasing number of librarians of SABBATH SCHOOLS, who purchase books from us.

As we handle the BOOKS OF ALL PUBLISHERS, we can give you the best possible service and supply everything you need in books.

We make a constant study of the needs of the SABBATH SCHOOL, and can assure you of the suitability of the books selected.

We sell to you at the LOWEST POSSIBLE PRICES; thus you can make your money go further by dealing with us.

We give prompt attention to your order whether it is for ONE BOOK or a WHOLE LIBRARY.

Send us a list of your wants and get our prices; or let us know what amount you have to expend and let us recommend a list of books. Ask for advice or suggestions of any kind, and when you find we can serve you satisfactorily, we know YOU WILL BUY FROM US.
