## Tenders Wanted

Tenders will be received up till 5 o'clock on WEDNESDAY, MAY 8th, 1907, for the erection of a new Methodist Church in Parry Sound.

Tenders for the whole or any part of the work will be considered.

The lowest or any tender not necessarily accepted. Plans and specifications may be seen on application to

REV. T. DUNLOP, or J. S. RUSSELL,  
Parry Sound, Ont. Architect,  
Stratford, Ont.

## Tenders Wanted

Sealed tenders, addressed to the undersigned, and endorsed "Tender for Pump," will be received up until twelve o'clock, noon, on MONDAY, THE THIRTEENTH DAY OF MAY, 1907, for furnishing, erecting and connecting complete, including foundations and all other work and materials necessary to the installation in running order of a new pump in the Amherstburg Waterworks, capable of raising water from a depth of 15 feet in the well, and delivering 800 Imperial gallons per minute into a 10 inch main, against a hydraulic pressure of 120 pounds, with a steam boiler pressure not exceeding 80 pounds per square inch, the said pump to be of the latest pattern of its type, and to have all the modern improvements and attachments; said tenders to also include the repairing and placing in perfect working order of the compound, direct acting, duplex pumping engine of the above capacity, now in use in the said waterworks.

The said new pump may be either, and alternative propositions will be received for:

First—A compound, direct acting, duplex pump.

Second—A fly-wheel pump.

Third—A turbine pump.

No tenders necessarily accepted.

For further particulars apply to

J. H. C. LEGGATT, Town Clerk,  
Amherstburg, Ontario.

## City of Regina, Saskatchewan
