FOR APPLE PICKING
 AND GENERAL FARM USE
 THE

WAGGONER LADDER

Is the best on earth. The apple crop in Ontario is light this year; all the greater reason for saving all your good fruit. The Waggoner Ladder can be placed under the trees and extended in the heart of the tree, so as to reach the fine apples in the middle top. It will save enough apples on a few trees to pay for itself this season, to say nothing of its usefulness everywhere about the farm. Satisfaction guaranteed.
