The Story of Mary.

By Edmond O'Donovan. Under the title, "The Mary Oasis," Mr O'Donovan published a work recently in England, in two volumes, which created a decided sensation. Though its success was great, the amount of minute detail, which added to its value in many respects, was thought likely to decrease its interest to the general reader, and a condensation was made by the author himself, which is hereby given complete.

As a story of travel it is one of the most thrilling of recent years. As a work of description its importance and faithfulness have been promptly conceded. The country described—Central Asia—has been, one may say, rediscovered by the writer and his powers of observation and his literary skill, derived from many years' service as correspondent for an important London journal, give the work an accuracy and finish seldom found. No romance could be found more thrilling not to mention more careful in its statements.

UNFERMENTED WINE,

Prepared for sacramental and Domestic use by F. WRIGHT, MANUFACTURING CHEMIST, KENSINGTON HIGH STREET, LONDON, W.

This WINE is guaranteed to be the juice of the finest grapes of the Cotswold, and the Malaga. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continuous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGERS, Esq., M.D., F.R.C.S., Public Analyst for Antrim County and Belfast Borough.

"I have chemically examined the bottle of Wright's Unfermented Wine taken by me from the stock held by Mr. Wright's Belfast Agent, and find that it is free from alcohol, and contains the constituents of grape-juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BIRWASH, Formerly Professor at Mount Allison Wesleyan College, Sackville, N.B. Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steps taking two days. This Wine contains No Alcohol, nor any deleterious ingredients. It can be used on as wholesome, not having any intoxicating properties."

ONTARIO Mutual Life Assurance Co.

HEAD OFFICE: WATERLOO, ONT. Absolute Security. Rapid Annual Decrease of Prem's.

DOMINION DEPOSIT \$58,224.98 The success attending this company during the past 15 years in which its operations have been almost exclusively confined to the Province of Ontario, has induced the Directors to extend its operations to the Maritime Provinces. Its Motto is "The largest amount of assurance for the least possible outlay."

SPECIAL FEATURES: The Policy-holders get all the profits; in mixed Companies they only participate. In a letter to a member of the Ontario, the late Hon. D. McDonald said: "THE MUTUAL is the TRUE PRINCIPLE FOR LIFE ASSURANCE. Stockholders are of no more use than as barometers to a ship. Were Life Assurance understood by people generally Stock Companies would be avoided."
