

HOME RULE *for* IRELAND!

Is a Burning Question
in the British Isles at
present, but—

Here in Western Canada the all-absorbing problem is: "HOW MAY FARMERS PROFIT AND PROSPER?" Some say "Farm less land and farm better." Others say "Stop growing wheat and produce beef and pork."

There may be an Honest Difference Of Opinion—

As to how far these remedies would go to improve conditions, but **all are agreed**, however, that much money can be saved by **Co-operative Buying of Farm Necessities**. The combined buying power of the Western Farmers is enormous. **Use it!**
