IMPROVEMENTS TO

Supporters of Local Administration will Meet at Fredericton Soon to Consider Matter—News of Capital.

FREDERICTON, June 2.-It is understood that all the supporters of the government have been asked to eet here the coming week, either on Thursday or Friday, when the reconuction of administration, will be taken up and considered. It is said that quite a few changes will be made hat it would not be a great surprise if Geo. W. Allen of York were offered the portfolio of attorney general.

The death occurred yesterday of Sydney Graham, a well known resident of Bear Island, aged 86 years. The Fredericton cricket club elever and an eleven from the royal regiment had the first game of the season yes Officers' Square. The terday in the contest attracted a large crowd. The local team scored 64 in the first inning to their opponents 22. The regimental

eleven followed and had run up 67 for the loss of nine wickets when game The funeral of the late Jas, Jackson took place from his late residence this and was largely attended. The Rev. Gordon Dickie of St. John
