THE ANNUAL

Wednesday, September 28, 1910.

Of Union of Saskatchewan by Lisle, Bayne and Seymour effect was passed.

Saskatoon, Sept. 20 .- The fifth annual convention of the Union of Saskatchewan Municipalities opened here Dr. Lisle. The resolution brought forthis morning. Sixty delegates are in attendance and a list of very important matters will be discussed. This morning the registration of the delegates required the greater part of the time and in the afternoon the convention was opened. Acting Mayor Smith welcomed the delegates to the city. He expressed his feeling of pleasure in having the opportunity of welcoming such a representative organization to the university city. He also expressed regret at the absence of Mayor met with an accident while in Toronto, and was confined to his room. He extended the freedom of the city to the visitors, and invited them to attend a banquet being given tonight by the city council. He also stated that tomorrow the delegates would be given an auto drive about the city.

President's Address The presidential address was the first topic on the programme. Owing to the absence of the president, secretary-treasurer, J. Kelso Hunter. was called upon to read it. In part tion made by Mr. Lisle. the president said he regretted the inability to be present. He said the meeting had proved a great benefit to the province and the Dominion as the

A convention of this nature could not be other than a great help in the organization of new municipalities. He had just returned from attending the convention of the Union of Canadian Municipalities held at Toronto. The subjects discussed there were worthy of serious consideration. The establishment of a uniform system of municipal accounting, town planning, municipal taxation, governusefulness. None of the municipal wares to offer that defied all competithrough, either the number of teachwares to offer that defied all competiment by commission or boards of control be conceded, and the question of

ward was: "Resolved that the boards of hospitals which receive aid from the general revenue of the province, be entitled to demand from the rural municipalities and local improvement districts the sum of fifty cents a day for each day's actual treatment and stay in such hospital, being the same as may be demanded from villagers under Sec. 152 of the Village Act."

Supported By Charity Mr Lisle claimed that in many Hopkins, president of the union, who places the hospitals were being supported by charitable institutions. Concerts, bazaars and tag days were being held to help out the institutions, and in many cases private contributions. The people should be compelled to support the hospitals, he said. He suggested that hospital districts should be formed and that the government be asked to assist in placing the hospitals of the country on a stronger foundation and better basis.
