WOMAN'S GREATEST ENEMY
Constipation the cause of most Women's troubles—An easy way to Permanently cure this Painful Condition.

There are few women indeed who do not suffer with chronic constipation. Nearly all are slaves to some kind of medicine to correct this trouble, and yet they get nothing but temporary relief. One period of constipation is followed by another and it's physic, physic, physic, year in and year out, till life becomes a burden. There is now a sure cure for this condition and a cure that does not have to be repeated.
Dr. Leonhardt, of Lincoln, Neb., is the author of this prescription. He used it for his own practice as a remedy for dyspepsia, biliousness and constipation.
Many ladies who have suffered for years are now enjoying good health and a perfect freedom from the old constipation through the use of Anti-Pill.
Mrs. Tabb, 287 Emerald St., North Hamilton, Ont., writes—
"I am no longer troubled with constipation. I cannot praise Anti-Pill too highly."

To investigate charges of misfeasance.
Victoria, B.C., Oct. 17.—The Dominion Government has appointed Attorney R. T. Elliott, of Victoria, special commissioner to investigate charges against Secretary Crow Baker of Victoria Pilotage Board. Complaints were made by one of the pilots that funds had been mismanaged.

Canadian Boat Launched.
London, Oct. 17.—(C. A. P.)—The twin screw ice-breaker Montcalm, built for the Canadian Government, was launched on Saturday.

WHEN ALL OTHERS FAIL.
To relieve constipated headache just try Dr. Hamilton's Pills of Mandrake and Butternut. Wonderfully prompt, and never cause griping pains. For headache and biliousness use only Dr. Hamilton's Pills. Price 25c.

Gale of St. John's.
St. John's, Nfld., Oct. 17.—For eight hours the worst gale of the season has been raging here, and it is feared it must have worked havoc among the fishing fleet. Large numbers of vessels are homeward bound, the season having closed, and inevitably a number of them have foundered or driven ashore.

A REMARKABLE RECORD.
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance, and may be given as confidently to a baby as to an adult. For sale by All Druggists.

Grain Survey Board.
Ottawa, Oct. 15.—The following have been appointed members of the Grain Survey Board: Winnipeg: Messrs. George V. Hastings, Samuel Spink, George R. Crowe, Robert Mair, W. W. McMillan, W. A. Black, Nicolas Bawlf, W. L. Parrish, Alex. Reid, W. H. McWilliams, James Hodd, James E. George.

OWES HIS LIFE TO A NEIGHBOR'S KINDNESS.
Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. V., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by All Druggists.

'Dead At 111.
Burlington, Vt., Oct. 15.—The funeral of Joseph King of Milton, Vt., 111 years old, was held here Thursday from St. Joseph's Roman Catholic Church. Mr. King was born in Canada, and served during the Papineau rebellion in 1837. He is survived by six children—two sons and four daughters.

Dear Sirs,—This is to certify that I have been troubled with a lame back for fifteen years. I have used three bottles of your MINARD'S LINIMENT and am completely cured.
It gives me great pleasure to recommend it and you are at liberty to use this in any way to further the use of your valuable medicine.

DISTRICT DOINGS.

SOUTH BUXTON.
Among the successful farmers here Mr. Joseph Bennett holds a distinguished place at the Fair at Chatham. He made 20 entries in sheep, grain and roots and got 17 prizes, and at the Merlin fair he made 50 entries in sheep, hogs, grain and roots and was given 40 prizes and made several good sales of sheep and hogs. He will also attend the Blenheim fair, and his judgment of stock has distinguished him and he is again a chosen judge of stock at the fair at Wheatley.

RALEIGH.
It is our sad duty to chronicle the death of Mrs. J. Waddick, one of the oldest residents of this neighborhood, who died on Oct. 5th, after an illness of five years, which she bore with Christian patience. She was born at Port Stanley and married to her late husband, Mr. John Waddick, forty-five years ago, and settled in the home in which she died. The remains were brought to St. Joseph's Church on Friday, where solemn requiem mass was said by Rev. Father Hubert. She leaves to mourn her loss five sons and two daughters. May she rest in peace.

TURNERVILLE.
Robert H. Lewis, of Harwich, and Fred Rieborough, of Kent Bridge, were the guests of Thos. Buckingham on Sunday.

We are informed that Robert Long traded his fine farm for a hundred acres in the neighborhood of Thamesville.

Our teacher, Miss Hall, visited her friends on the 5th cocession, on Sunday.

There was a very large attendance at the rally day service of the Sunday School on the Lindsay Road Church, Sunday morning.

John Hill has rented John Haggerty's farm and has commenced fall plowing.

SOUTH BUXTON.
The wheat sown looks fine. Farmers are at a loss to know how to handle their soft corn. If husked and housed it will rot, and if left standing in the field it will become worthless. The best way to get the most good out of it is to feed it up as fast as possible before it freezes.

Mr. and Mrs. Silverthorn left on Monday for "South Norwich to attend the golden wedding of Mrs. Silverthorn's sister, Mrs. Triffey, and to renew old acquaintances.

L. Silverthorn has leased A. Hooper's farm for a term of five years. Mr. S. is a progressive farmer.

E. Abbott and C. H. Silverthorn are anticipating a trip up north to New Ontario, prospecting in the lumber business.

Mr. Rogers, of Sanderson, who has been suffering from hemorrhage, was thought to be resting easier Sunday.

W. Martin, of Chatham, is an active Christian worker. He is supervising the pulpit at New England every Sunday at 11 a. m., and at Green-bush at 3 p. m. He is also reviving the S. S. at that place, in addition to his appointment near Chatham. Next Sabbath he will give a special sermon to the young men of New England.

Mr. and Mrs. Lancaster drove to Ridgeway on Sunday to visit Mr. Lancaster's parents.

Mr. and Mrs. Jas. Ross will soon be housed in their new quarters. W. H. Irwin, of Blenheim, has just completed his work on the building, which reflects much credit on his skill as a workman. The painters are now putting on the finishing touches. The building is a fine ornament to the farm and cost about \$1,000.

ODD MOON BELIEFS.
The Orb of Night as Food For the Immortal Gods.

Certain it is that a belief in the moon as the abode of the fathers was widely spread among the people speaking the Aryan languages. To the present day the peasants in Swabia are heard to say, "May I go to the moon if I did it." Nay, instead of "May I die if I did it." Nay, people who work on the Sabbath day are threatening the moon—that is, that they will go to the moon—that is, that they will die and be punished in the moon.
A more startling idea—peculiar, it would seem, to India—was that of the moon serving as the food of the gods. And yet, though it sounds strange to us, it was not so very unnatural an idea after all. The gods, though invisible, had been located in the sky. In the same sky the golden moon, often compared to a round of golden butter, was seen regularly to decrease. And if it were being consumed by anybody by whom could it be consumed if not by the gods? Hence the ready conclusion that it was so and that it was, in fact, this food which secured to the gods their immortality.

If so much had once been granted, then came the question, How was the moon gradually increased and restored to its fullness? And here the old superstition came in that the souls of the departed entered the moon, so that the waxing of the moon might readily be accounted for by this more ancient article of faith. Hence the systematized belief that the moon waxes while it is being eaten by the gods and that it waxes while it is being filled by the departed souls entering it. A last conclusion was that the gods when feeding on the moon were really feeding on the souls of the departed.

England's Milk Bill.

The laborer, it seems, is content with 5 gallons of milk, 9 pounds of cheese and 15 pounds of butter in the twelve months. Artisans and mechanics have 12 gallons of milk, 11 pounds of cheese and the same quantity of butter. Each member of the upper class, however, drinks on an average 31 gallons of milk in a year, eats 10½ pounds of cheese and 41 pounds of butter. A member of the upper class drinks rather more than six times as much milk as a laborer, eats just a little more cheese and uses three times as much butter.
