A Big Day of Sports

PLANNED FOR JULY 7TH, IN WOLFVILLE

The committee in charge of the program for Wolfville's Big Sport Day on July 7th have the arrangements about completed. There will be something doing every minute and a good time is assured. There will be two games of baseball. In the morning the final game in the Kings County Boys' Baseball League will be played, and for this event there is a handsome silver cup which was won last year by Kentville. In the afternoon Annapolis will play Wolfville in the regular Valley League schedule, and the local boys will do their best to reverse the score made at Annapolis Wednesday. There will also be athletic events for the Boy Scouts and Tuxis Boys, and a grand Tug-of-war tournament open to all the county. In the evening there will be campfire games on the campus, and a grand display of fireworks. A feature of the day will be the free exhibition of the captured German aeroplane that Acadia University has recently received from the government. Further details will be announced as soon as possible. All should prepare for a big day at Wolfville on July 7th.

Creek to be Dredged?

That the channel leading into the wharves is to be widened and deepened, and that the S. S. Prince Albert is to land her passengers and freight at the inner wharf, are reports going around town. It is to be hoped that the reports are not without some foundation. For the past week a government engineer and party have been making a survey, staking off the proposed channel and taking soundings. The people of Wolfville have for many years been requesting the government to do this work, and now it is hoped the time has come. A portion of the harbor front was purchased by the government some years ago for the purpose of building new wharves, but on account of the war the work was stopped. Wolfville is the natural outlet by water for the eastern part of the Valley, and if the contemplated work is done the town should soon develop into an important shipping point.

Wolfville Juniors Win

DEFEAT KENTVILLE IN COUNTY BASEBALL LEAGUE

The first game in the Kings County Boys' Baseball League was played on the college campus last Saturday afternoon. The attendance was small and a large proportion of the spectators were from Kentville. The Wolfville people should turn out to see these games and give the boys every encouragement. The game resulted in a win for the local boys after a hard fight, the final score being 10 to 4. However, the score is not an indication of the play as the teams were evenly matched, and it was not until the eighth innings, when the Wolfville boys scored four runs, that the outcome was assured. Both teams showed lack of practice but excellent material for two good teams. The game was well handled by Paul Tingley and Simmonds, of Kentville. The teams were composed of the following boys:

Kentville	Wolfville
Hill	catcher C. Langille
M. Schofield	pitcher B. Elderkin
A. Sanford	1st base G. Rand
Hutchinson	2nd base A. Brown
Feener	3rd base McLeod
A. Lightle	s. stop W. Barteaux
Pyke	c. field Kennedy
Walsh	1. field Rhodenizer
R. Jess	r. field V. Rand

The score by innings was as follows:
 Wolfville 0 0 2 3 0 1 0 4 0
 Kentville 0 1 2 0 0 0 0 0 1

Farmers' Party Want Free Apples

In the address on the Budget in reply to a question Honorable T. A. Crerar, the leader of the Farmers Party in the House of Commons, declared himself flatly in favor of removing the duty entirely from apples.

Following is an extract from his speech as found at page 2997 of unrevised Hansard:

Mr. Davidson—Is the honorable member in favor of making apples free?

Mr. Crerar—Certainly I am in favor of making apples free, my honorable friend from Annapolis is badly mistaken if he thinks he is putting a poser to me in that regard.

In reference to this declaration of Mr. Crerar, W. E. Chappell, Secretary of the United Farmers of British Columbia, has made the following statement:

"I will not stand for the removal of the tariff on fruit, the prairie people may think such a policy is satisfactory but it is a blow at the fruit industry in this province, which I for one will not stand for."

Recent Deaths

The death of Mr. Charles Murphy, one of the best known residents of this vicinity, occurred at Quincy, Mass., on June 1st. Mr. Murphy was born and spent all his life in this vicinity. He had been suffering from cancer of the throat for some time and left here recently to seek expert medical assistance, which however, proved futile. The deceased is survived by a widow resident here and a brother, Mr. Peter Murphy, of Pensacola, Fla. The remains were brought to Wolfville on Saturday and the funeral was held from his late home on Sunday, the interment being in the old Catholic Cemetery.

On Tuesday morning at the home of her mother, this town, there passed away, after a lingering illness, one of Wolfville's most popular and highly esteemed young ladies, Miss Minnie Hennessey. The deceased was of charming personality and had many friends. After completing her studies at the public school she accepted a position with the Telephone Co. here where she was very popular both with her associates and the public. A few years ago, owing to failing health, she was compelled to resign her position. She made a brave fight for life but in spite of the most loving care gradually weakened until the end came. She is survived by her mother and one brother who have the sincere sympathy of all.

G. W. V. A.

There will be a special meeting of the G. W. V. A. on Thursday, June 17th, at 8 o'clock sharp, in the Club Rooms. Comrade Hugh F. Hamilton, secretary of the Nova Scotia provincial command at Halifax, will be present and address the meeting. All members are urgently requested to be present.

By order of the Secretary.

Furnished rooms to rent after June 1st. Apply to Box 462.

Greenwich Items

Messrs. Kenneth and Everett Frazer spent Sunday last at their home here. The former is employed in electrical work with Mr. Murray Baird, of Kentville.

Miss Marion Bishop, who has been ill for some days, is now improving in health.

Two horses from our village were prize-winners at Kentville on the King's birthday, Mr. A. K. Forsyth's taking first prize as roadster, and Mr. Humphrey Bishop's second prize in the same class.

Mr. Arthur Leslie, of the N. S. Hospital staff, Dartmouth, is spending a few days at the home of Mr. Fred E. Forsyth.

Mr. Wm. S. Morine, who spent his boyhood in Greenwich, is here from Worcester, Mass., a guest of Mr. and Mrs. A. K. Forsyth. Mr. Morine finds many admirable changes in Greenwich, (which he has not seen for thirty-nine years) and like most visitors thinks one cannot say too much about the beauties of the Valley. He is a nephew of the Rev. Maynard Freeman of Wolfville, who greatly enjoyed a visit from him one day last week.

Mr. Douglas Terry, who has been visiting at the home of Mr. T. A. Pearson, left recently to return to his home near St. John, N. B.

When, on last Thursday, an aeroplane passed over here on its way to Annapolis Royal, some of us had our first glimpse of that sort of craft and gazed wonderingly until it was out of sight. Miss Ethel Frazer, who is so shut in from the outside world, had the delightful excitement of seeing it from her bedroom window.

One family would have been seeing it but for the alertness of their big white rooster, which gave such a sharp warning that all the hens made for shelter in a great fright. The folks, looking up for the cause of the rumpus, discovered the aeroplane, which Mr. Chanticleer had evidently taken for a hawk of heroic size.

News has been received of the death in United States of Mr. Stephen M. Griffin, who lived here some years ago. His wife died some time before him.

Annapolis Defeats Wolfville

IN HARD FOUGHT GAME OF BASEBALL

The Wolfville boys lost their second game in the Valley Baseball League when Annapolis defeated them on Wednesday by the score of 7 to 6. The game was played at Annapolis, the boys making the journey there by auto. A number of fans accompanied them. The game was hotly contested from start to finish, both teams seeming to feel that the outcome of the League depended to a large extent on this game.

In the first innings Annapolis scored two runs to Wolfville's one, and the home team extended their lead in the second innings. The Wolfville boys were, in the meantime, doing their best to get accustomed to the roughness and other irregularities of the field. With the thirdinnings the Wolfville boys got down to work and a hard fought battle commenced which ended only with the last ball thrown. Annapolis still kept the lead but the Wolfville team steadily drew up and in the ninth innings tied the score at 6-6. While this paper is an ardent believer in sporty sport and both winning and losing with a smile, it is only fair to the Wolfville boys to state that in the play-off they had to contend with the umpire as well as the players. The game ended in the tenth innngs with the score 7-6.

In the other League games played on Wednesday Middleton defeated Berwick at Middleton by the score of 22-0, and Kentville defeated Widdowton at Widdowton by the score of 10-0.

By a ballot taken at Windsor on Monday it was decided that the town would not adopt Day-light Saving time this summer.

Miss Dorothy Williams, who has been staying some time in Greenwich, was a guest for a few days this week at the home of Mr. Albert Eaton, Lower Canard. Mrs. Chas. Hays is recovering from a recent attack of the grippie.
