# FIRE INSURANCE.

· When the citizens were canvassed to vote for the installation of a water system one of the greatest induce ments held out was the reduction of the insurance rate which such system would bring about. Newcastle has had such a system installed for nearly a year, the official test was made some months ago. The New Brunswick board of Underwriters has been written to, but as yet without any results in this matter.

The Board of trade and Town Council have written and as far as we can lear a have not even had the courtesy of a reply from this astute

It is now time the prenfium pages took the matter up and insisted on a re-rating.
