

MRS. COOK IS NOW ENJOYING HEALTH

Says Tanlac Ended her Troubles Last October and She's Felt Fine Ever Since

"I was down in bed and had been there for three weeks when I began taking Tanlac, but by the time I had finished the first bottle I was up walking around and now after taking four bottles I am a perfectly well and happy woman", said Mrs. D. Cook, 21 York St. St. John's, N. F.

"Besides restoring my health Tanlac has built me up, why I have actually gained thirty pounds in weight."

"The past twenty years have been one unbroken period of misery for me. I had chronic indigestion and my appetite had become so poor I ate scarcely enough to keep alive, I lost weight and strength and became so weak and thin I was unable to do my housework. My head would throb so bad I could not bear to lay it on the pillow. My nerves were almost a total wreck and at times I shook like a leaf. My kidneys were badly disordered and my back hurt continually, I don't believe I enjoyed a single night's sleep during the past twenty years."

"I have never seen anything more wonderful than the way Tanlac restored my health. Why, for the first time in my life I can say I enjoy good health."

"This was all last October and I have retained the thirty pounds I gained and have been feeling just fine ever since. I am doing all my housework now and I simply couldn't ask to feel better."

Tanlac is sold in Newcastles by E. J. Morris, in Redbank by Wm. M. Sullivan and in Doaktown by O. Hildebrand.

"Cascarets" if Sick or Bilious

Tonight sure! Let a pleasant, harmless Cascaret work while you sleep and have your liver active, head clear, stomach sweet, and bowels moving regular by morning. No griping, or inconvenience. 10, 25 or 50 cent boxes. Children love this candy cathartic too.

Long Sleigh Drives

Travel by sleigh in clear winter weather is an exhilarating pleasure—but is fraught with the danger of colds, headaches, and bronchial troubles. Those who must depend on this method of travel should always keep at hand a bottle of

HAWKER'S Tolu and Cherry BALSAM

which is a quick, sure, and reliable remedy for all such affections.

Gerhard Heintzman, the piano manufacturer, of Toronto, says:—"While on a journey in the Maritime Provinces I contracted a severe cold with a harassing cough. A friend advised me to procure a bottle of Hawker's Tolu and Cherry Balsam which relieved the cold and stopped the cough at once."

Buy a 25c. or 50c. bottle at any drug or general store, and be prepared for all "cold" troubles.

MINARD'S "KING OF PAIN" LINIMENT

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

Best Liniment Made

Mr. A. H. LAUDRY, EDMONTON, writes:—"I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.

WITH THE FUNNY MEN

Assured of Solitude.

"What do you think of this rich man providing himself with a handsome tomb to sleep in after he's dead?"

"He might have put the money into a hospital, a public park or a library."

"Yes?"

"People would naturally visit those places. It's a cinch they'll never resort to his tomb in large numbers."

Family Matters.

"I shall complain to the floorwalker about you," said the irate shopper.

"I have no doubt he will agree with everything you say," answered the saleslady, wearily.

"Ah! Then he is acquainted with your shortcomings?"

"He thinks he is. He's my husband."

Might Be a Mote.

Youth (eager to gain a place on the sofa)—Permit me to remove the mote, won't you?

Maiden—Thank you, I would, only—

Youth—Only what?

Maiden—Only I see such a beam in your eye!—Cartoons.

The Result.

"Somebody played a joke on Jim. Sent him a barrel of what he thought were fine oysters."

"Where was the joke?"

"When he went to shuck them, there weren't any oysters there."

"Then he must have been shell-shocked."

A Compliment.

"You used to pay me many pretty compliments before we were married," said Mrs. Dibbs, with a pout.

"You women are certainly hard to please," growled Mr. Dibbs. "Didn't I just now tell you those pork chops were done to a turn?"

A SMALL MATTER.

"Ouch! Didn't you take off a piece of my ear that time?"

"Don't be alarmed, sir; not enough to affect the hearing."

Unstability.

Ambition goes a restless way. As history doth prove. When any gets where he would stay, Fate still says, "It's your move!"

Hand Work Only.

The Magistrate—I should think you'd be ashamed to make your wife work over the washbowl to support you.

The Accused—But, judge, I can't afford to buy laundry machinery for her.

Can't Be Solved.

"They can't live together and they can't live apart."

"Umph! What's the solution of a problem like that?"

"Chloroform, but, confound the luck, it's against the law."

Seeds and Berries.

"People have various names for money. One man will speak of 50 seeds, another of 50 berries."

"Yes, and some make money produce, while others merely consume it."

A Movie Star.

"Register indignation."

"I can't."

"Your salary is reduced a thousand a week. Now can you register indignation?"

Tit for Tat.

Mabel—Here comes Charlie Dubb up the walk. That boy gives me the shivers.

Marie—Why don't you give him the shake?

So It Goes.

"Do you remember the old fashioned triangular sawbaw?"

"They'd look funny now."

"But the girls have 'em in a different shape, and they look nifty."

Catty Advice.

Belle—My hair is so long and thick I have the greatest difficulty in arranging it on my head.

Nell—Then why don't you take it off and fix it?

Nothing Left.

Judge—Have you anything to offer the court before sentence is passed on you?

Prisoner—No, your honor; my lawyer took my last dollar.

Oh, Fudge.

"I see no objection to a slash fund."

"It is used to clean up the accounts."

Big Developments in Evangeline's Land

The new Dominion Atlantic Railway Passenger Station at Bridgetown.

Not only is the Canadian Pacific Railway making advances in accordance with the necessities of the times, and providing every modern improvement for the convenience and comfort of the public, but all its subsidiary lines are similarly progressive. The Dominion Atlantic Railway, which serves a large portion of Nova Scotia and runs through the beautiful Land of Evangeline, now owns and operates The Pines Hotel at Digby, providing first class accommodation for the large numbers of tourists who visit the district. A new night service between Halifax and Yarmouth has recently been inaugurated. This night service leaves Yarmouth on Monday, Wednesday and Saturday evenings, and Halifax on Sundays, Tuesdays, and Fridays, and marks one of the most important developments since the through line of railway from Yarmouth to Halifax was opened up for traffic in 1891. These trains carrying on a combined freight and passenger service, but only carloads of through merchandise are carried.

When on a trip of inspection over the Dominion Atlantic Railway, at the end of November last, Mr. Grant Hall, vice-president of the C. P. R., expressed the desire to have the D.A.R. equipped in the near future with steel rails much heavier than those at present laid. He said that taken when the effects of war conditions had disappeared. Important improvements are being carried out along the line and arrangements are progressing for the erection of a new station at Digby which will provide the most up-to-date facilities for tourists and other traffic and add considerably to the beauty of the town. It is estimated that during 1919, 60,000 tourists visited Nova Scotia, and spent there about \$3,000,000. Recently a new station was opened at Bridgetown, much to the satisfaction of the public of that town. It is a handsome building

24 ft. x 56 ft. with 20 ft. overhanging on each end and has in front a tavia walk 396 feet long and 12 feet wide. The building is very conveniently designed. It has a cement basement. The outside finish is stucco on truss lathe, centred with plain above and below. The roof is asbestos. The inside consists of gentlemen's room, 20 ft. x 24 ft., office 14 ft. x 14 ft., ladies' waiting room, 12 ft. x 24 ft., and baggage room 24 ft. x 10 ft. The inside finish is of Douglas fir and birch, finished in the natural wood. The ceilings and side walls are mand finish, tinted in cream. There are also up-to-date conveniences and the heating plant consists of a Cumberland hot air furnace manufactured and installed by Mr. G. E. Banks, of Bridgetown, who also executed the plumbing. The inside and outside decorating was in charge of Mr. Harry Sanction. The whole work, including the building of a freight shed 30 ft. x 48 ft., on the

opposite side of the track, was built by contract by J. H. Hicks & Sons, under the personal supervision of Mr. E. A. Hicks, of that firm, who has already built seven Dominion Atlantic Railway stations. The Dominion Atlantic Ry. has also added to its system the hotel at Kentville now known as the "Aberdeen." Kentville is an important and growing centre, and the fact that it is now to have modern hotel accommodation will add tremendously to its benefit. The "Aberdeen" is splendidly situated, and will be made very attractive. It will be renovated and refurnished from cellar to roof. Many of the rooms will be equipped with private baths. The work of renovation will begin at once, but will be so conducted that guests will not be disturbed. The Aberdeen will continue to be operated the year-around, and cater to the general and commercial interests as well as to the tourist traffic.

CHATHAM WON OVER FREDERICTON

Chatham, Jan. 26—Chatham evened up matters with Fredericton here this evening in what was considered one of the critical games in the New Brunswick Hockey League and secured a firm hold on the coveted Chestnut Trophy, when the locals defeated the Capitals by a score of three to one in what was considered to be the fastest and cleanest, and had the best game of the season. There were 1,500 present for the game. From the opening going to the Capitals it was fast, clean, sportsmanlike hockey. The first period was scoreless and devoid of penalties. Chatham scored twice in the second and one more in the third. Fredericton got its goal in the third. The Capitals team was on the defensive throughout.

Well Satisfied With Baby's Own Tablets

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Her use of them leads her to believe there is no other medicine to equal them for any of the many minor ailments of childhood. Concerning them, Mrs. Eugene Boisvert, East Aldfield, Que., writes: "My baby was terribly constipated, but after the use of Baby's Own Tablets he is entirely well again. I am so well satisfied with the Tablets that I have no opportunity in recommending them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Rev. J. A. Irwin Arrested in Ireland

Belfast, Jan. 24—The military authorities refuse to give any information concerning the arrest of the Rev. J. A. Irwin, a Presbyterian minister, who delivered addresses in the United States, when Eamonn De Valera was touring that country. Headquarters has warned all the military commands to make no communication to the press concerning the Rev. Mr. Irwin.

The minister has been sent to the Ballykintur internment camp, where he probably is the sole non-Catholic prisoner. Interest in the case has been heightened by an interview with "Gipsy" Smith, the evangelist, published in the Belfast Telegraph. Smith ridiculed the reception given De Valera and the Rev. Mr. Irwin in Georgia, to which the Rev. Irwin wrote a long reply testifying to the enthusiasm accorded De Valera.

Lower Your Coal Bills

With 'HECLA' PIPELESS FURNACE

It will cost you less for coal to heat your whole house with this furnace than it will to try and heat it with stoves. It will cost you less for coal with a "Hecla" Pipeless than with any other heating system!

The "Hecla" Firepot has three times the heat radiating surface of any other furnace because it is ribbed with flanges of steel. For that reason it gives quicker heat—and more heat.

Owners say that this exclusive "Hecla" feature applied to pipeless heating means wonderful fuel economy.

At today's price of coal you do not need to save many tons to pay for a "Hecla" Pipeless.

Patented Fused Joints are another superiority of the "Hecla" Pipeless. They are proof against leaks of gas and dust.

And in the "Hecla" Pipeless you get an extra big waterpan—that runs all around the furnace. Thus, every room in the house is supplied with air that contains a healthful degree of moisture.

It takes but a day to install a "Hecla" Pipeless. Our booklet "Buying Winter Comfort" describes all the other advantages fully—tells why it keeps the cellar cool for vegetables, why it heats every room properly, why we guarantee it absolutely. Write for it now. There's lots of zero weather ahead. Why not enjoy the comfort a "Hecla" Pipeless gives, and begin saving your coal bills now—this winter.
