Like Grapes in September

Rich clusters of Black Hamburg Grapes, their skins tight to bursting with goodness—they're never so sweet as when they come in on the crest of their season.

G.W.V.A. Laid Wreath In Honor Of Dead

A fitting recognition to the memory of the honored dead, who gave their lives in the Great War was paid on Saturday afternoon, by the local G. W. V. A., when they placed a wreath of poppies as a tribute on the base of the Soldiers' Memorial Monument in St. Andrew's Cemetery. They sleep in Flander's fields where poppies grow, but it is the cherished privilege of the living to join in silent gratitude and sorrow—sorrow for the passing to the Great Beyond, and gratitude for their noble deeds in that great cause of civilization. We do not forget.

Living comrades of our dead marched side by side, as a mark of respect, from the G.W.V.A. Hall to the Cemetery, and as the peals of the Last Post were sounded, stood with bowed heads, while the Rector, of St. Andrew's church, Rev. W. J. Bate led the assemblage in prayer. It was truly an impressive sight, and carried us back in memory to the years of 1914—1918, when so many of the flower of Canada's youth sacrificed their lives that others might live.

With a solemnity which is heightened rather than diminished by the passing of years, homage was thus paid to those who gave the most that can be given—life itself—in the great conflict which ended four years ago with the signing of the armistice in the battle scarred forests of Compiene.

NEWCASTLE BOY TO THE FRONT

At the closing game of the football season on Mount Allison grounds, Herbert Ashford, son of Mr. and Mrs. John Ashford of Newcastle, quietly picked up the pigskin near the Trojan five yard line, tucked it under his arm, and went over the line for Mount Allison's only try. Up to the point when Herb uncovered his sudden and unexpected dash, play was fairly even, but when he picked up the ball and tore across the line, the visitors were taken so unawares, that he had made the try before they realized what had happened. It was a wonderful rush and drew forth from the 1000 spectators a burst of applause that seldom is heard on a football field.

DISASTROUS FIRE AT RENOUS, N.B.

At five o'clock Friday morning, a fire was noticed in the fine new warehouse of Mr. D. P. Sullivan, Renous, N. B. At the time it was seen, the interior of the warehouse, which was laden with heavy stock, was a mass of flames, and in a short time rapidly spread to Mr. Sullivan's store and garage. It was impossible to check the fire, as no fire fighting apparatus was in the vicinity, and a stiff gale was blowing. The residents did all in their power to subdue the blaze, but their efforts had no effect whatever in checking the fire. The store contained a heavy stock as did also the warehouse and the loss is a heavy one. The warehouse was built during the years of high prices for material and wages and was covered by steel, the steel alone costing in the neighborhood of \$1200. A carload of flour had just been placed in stock, and a large quantity, about 20 thousand cigarettes and a heavy consignment of larrigans, shoe packs etc. had just been received. In the store was contained the large stock recently purchased by Mr. Sullivan from Mr. Archie Alcorn of Blackville. The loss is a most severe one, not only to Mr. Sullivan but also to the community of Renous. It is thought that the fire was the work of thieves who entered the warehouse. The loss is partly covered by insurance, and Mr. Sullivan is not likely to rebuild until spring.

REPUBLICANS ARE IN MAJORITY

New York, Nov. 9—Continued Republican control of the United States Congress, but with a Senate majority of two and a house majority of one, was the result of Tuesday's congressional elections, with returns almost complete. Tight races in the few undecided districts not affecting the general result, and delays in counting, however, threatened to postpone the final figures until to-morrow.

With seven congressional districts in four States—Kansas, North Dakota, Washington and West Virginia—still unreported at 8 a. m., to-day, the roll in the next house stood:

Republicans, 220; Democrats, 205; Socialist, 1; Farmer-Labor, 1; and Independent, 1. The Republican margin promises to be increased slightly in the remaining contests. In the returns to date 76 places now held by Republicans had been captured with out a single counter-balancing Democratic loss.

London, Nov. 9—The comeback made by the democrats in the U. S. elections last Tuesday is explained to British readers by their newspapers in many ways and the speculation which the editorial writers indulge in is quite diversified.

pendulum merely swung out others interpret the voting as expressing widespread disgust with the Harding administration and many of its works, including the tariff and the enforcement of prohibition.

Throughout Britain, the United States elections have attracted widespread attention.

New York, Nov. 9—A statement issued by Colonel Gaston defeated Democratic Massachusetts nominee for the Senate in yesterday's election, says he will demand a recount in his race against Senator Lodge, despite

North Shore Man Victim Of Accident

A distressing accident happened on board a drift boat coming to Escomiac. The boat was manned by Michael Bransfield who was accompanied by Frank Sullivan who had been to town to have boils lanced on his arm. When off Point aux Car Frank reached down with his well arm to pick up a can which fell near the engine and was caught by the engine; his arm was badly mangled before Mr. Bransfield could get him free. Mr. Bransfield turned his boat into Bay du Vin to get medical assistance for his friend and threw his line on the wharf, jumping on the wharf at the same time, but the line missed the wharf and before the distracted fellow could catch it, the boat had swung off and away. A canoe was hastily launched but the boat went as far as Pt. Gardner before they got to her. Wishart Williston took the poor sufferer to the hospital, where it is hoped the doctors may be able to save the arm.

America Becomes Dissolute Nation

Next to Japan, the United States is the worst nation in the world so far as the sacredness with which the people regard the matrimonial ties is concerned, said Bishop Walter T. Sumner of Oregon, who is visiting in Chicago.

"Modern-marriages are virtually nothing more than trial marriages," he declared. "And the United States is in danger of becoming the most dissolute nation in the world."

THAT NAPAN OIL FIND

Speaking to The Times Dr. Henderson, of the N. B., oil fields, stated that he knew nothing of the reported oil discovery at Napan, Northumberland County. He only hoped that the reported discovery was true, but the statement in the Chatham World that he had inspected "the outcrop of oil on Archibald Jardine's farm, Napan" was quite incorrect. Not only has Dr. Henderson not visited the locality in question, but he says he knows nothing of any one connected with his company having been there recently.

the latter's increased lead today.

New York, Nov. 9—Returns from all but three congressional districts where results were still undetermined at noon show:

224 Republicans
205 Democrats
1 Socialist
1 Independent
1 Farmer-Labor ticket to the new House of Representatives.
