**Chamber of Com-**  
**merce Activities**  
"Building a Chamber of Commerce  
for St. Catharines of 400 or more  
members without at the same time  
providing an income adequate to the  
needs of the enlarged organization,  
would be largely a waste of effort,"  
according to one of the supporters  
of the campaign, who told a St. Cath-  
arines representative today how the  
new chamber will be financed.  
He said that the income of the  
chamber will depend directly upon  
the confidence reposed in it by the  
community, because that income will  
arise from membership. "The pay-  
ment of dues is the acid test by which  
it can be determined whether the  
organization is trusted or not," he  
said.  
"The income plan under which the  
chamber is being expanded is a  
uniform pledge of \$25 dues a year  
for three years. The reasons for  
adopting this scale and the period  
named are entirely sound. They are  
founded on actual experience, not in  
one city, but in scores of them.  
"Membership dues of \$25 a year  
will provide the least amount the

chamber should have to insure effi-  
ciency; to be the really big, capable  
civic-commercial organization a city  
like St. Catharines should have, and  
I am convinced will have.

"Some men will ask: 'What are you  
going to do with all this money?'"  
He will overlook the fact that the  
Board of Directors, which includes  
some of the shrewdest business and  
professional men in St. Catharines,  
have examined the plan for the or-  
ganization with as much care as  
they would give to their own busi-  
ness affairs, and have agreed that  
\$25 a year is the least sum required  
from each member.

"Eighty-five per cent. of the com-  
mercial organizations of the country  
have membership dues, of \$25 a  
year. The number of such organiza-  
tions is steadily growing, this prov-  
ing that more and more of them are  
finding the truth of what the Cham-  
ber of Commerce specialists learned  
six years ago. The Rotary Clubs of  
the continent started with mem-  
bership dues of \$5. Today most of them  
have raised their dues and they are  
all tending toward \$25.

"The lowest actual cost of main-  
taining a Chamber of Commerce that  
is worthy of the name is from \$15  
to \$19 a year per member. This  
fact has been well established. The  
minute a Chamber of Commerce be-  
comes a real live organization, its  
necessary expenditures begin to climb  
from those figures.

"The modern Chamber of Com-  
merce must maintain suitable quar-  
ters; that means rent to pay. It  
must have efficient management;  
this means the employment of a  
trained and capable secretary. In  
such a city as St. Catharines the  
Chamber of Commerce should have  
one or more bureaus to give special  
service to the members and the citi-  
zens; this involves the employment  
of men of ability. It must have an  
office system; this means clerical and  
stenographic assistance. There are  
other items of expense, every one of  
them legitimate and necessary, which  
amount to a considerable sum each  
year.

"Uniformity in dues needs no argu-  
ment. The days when the small  
storekeeper was admitted to the  
Chamber of Commerce for \$2 or \$5  
a year, and the big corporation asked  
to subscribe \$200 are past.  
"The relations of the small store-  
keeper and the big corporation have  
been accurately defined in the mod-  
ern civic-commercial organization.  
Each becomes a member with equal  
obligations and equal rights.  
"In place of the disproportionate  
membership payments of the old  
days, the modern Chamber of Com-  
merce says to the big corporations,  
in effect: 'Your larger interests in  
this community increase your re-  
sponsibilities for its well being. You  
have more at stake than the small  
storekeeper, and therefore you should  
support the Chamber of Commerce  
in proportion to your investment in  
this community.'

"To make this possible, the plural  
membership plan has been devised.  
Under this plan the corporation, firm  
or individual subscribes to a number  
of memberships. Since, however, the  
chamber cannot permit the plural  
subscribers to dominate its affairs,  
it allows each subscriber to have one  
vote only, the same as the smallest  
storekeeper in the organization.  
"It is the custom for the subscrib-  
er to plural memberships to assign  
them to the younger men in its em-  
ploy, the assignments being absolute  
and carrying with them the power  
of one vote each. This brings into  
the Chamber of Commerce the young-  
er men of business. It interests them  
in community work early in their  
careers and makes certain of the  
presence of men who will be the  
leaders in the community in a few  
years.

"The three year guarantee is an-  
other outgrowth of experience. A  
Chamber of Commerce can do much  
in one year, but a program of work  
that covers three years is vastly bet-  
ter than a one-year affair. To make  
it possible, though, the directors  
must know what the income is going  
to be. The one-year plan is univer-  
sally unsatisfactory; the three-year  
plan has never yet been abandoned  
where tried."

### DOCTOR WARD, The Specialist

**SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.**  
The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders, I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

### NERVE EXHAUSTION

**A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.**  
There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be discharged at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

### RHEUMATIC AILMENTS

**SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.**  
Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden, called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.
