TORIC LENSES

ARE MORE BECOMING THAN
FLAT LENSES.
The edges of Toric Lenses do
not show as prominently as
those of flat lenses. They fit in
close to your eyes. You will find
Toric much more becoming and
useful. They give you a wider,
clearer field vision. You should
know about Toric Lenses. Let
us explain them.

**Warner's
Rust-Proof
CORSETS**

are proving daily their trust-
worthiness.

Trusty for delineating a
good figure; for service and com-
fort, and—by no means the least
—their rust-proof feature.

It is a Corset that one may,
if one wishes, launder as easily
as lingerie. But Warner's Rust-proof Corsets
are so moderately priced that oftentimes the
luxury of a new pair cannot be resisted.

Price from \$1.40 per pair up.
EVERY PAIR GUARANTEED.
