

**Motor Association Meeting.**

The Newfoundland Motor Association held a most enthusiastic meeting in the Board of Trade rooms, yesterday evening at 4 o'clock, and a large amount of important business was transacted. A report was received from Mr. T. Soper of the Road Commission stating that the road machinery had finished this season's work. The grader used in connection with this machinery will be brought to town and will be used during the winter months in keeping the roads in the city free of snow. This machine has been used with great success in many of the large Canadian cities. Mr. Soper also reported that considerable additional machinery had been ordered, which will make the equipment absolutely complete for next season's work. A committee was appointed to take into consideration the 1920 motor tax and recommend to the government such alterations and amendments for the season of 1921 as would meet with the approval of all classes of motor owners. The Association have decided to hold a dinner at Donovan's during the week of Nov. 5th to which all members and their friends will be invited. The committee to look after all arrangements in connection with the affair was appointed as follows:—Messrs. W. White, P. E. Outerbridge, Leslie Marshall, Arch Munn and Reg Harvey, and with such a committee it goes without saying that the motorists' dinner will be the success of the season. The meeting recommended that the Association appoint a solicitor to follow all police court cases in which motorists are concerned and to look after the interests of members generally. A letter was received from the relatives of the late J. L. Slattery, who was a member of the executive of the Association, thanking the Association for the note of condolence that they had passed on the passing of the deceased. After some other business of minor importance had been discussed the meeting adjourned at 5:30 p.m.

**Choir Outing at Smithville.**

Last night the choristers of St. Mary's Church held their annual outing at Smithville. Accompanied by the Rector, Rev. A. B. S. Stirling, Mrs. Stirling and friends, the party boarded two buses, kindly placed at the disposal of the choir by Mr. C. Lester, at 8 o'clock and drove to Smithville, where every arrangement had been made for the entertainment of the party. The only thing not in order was the weather, but despite the disagreeable attitude adopted by the meteorological clerk, a very enjoyable time was spent. On arrival at the hostelry the choir members and their friends at once started in on the programme and songs and games made the time pass all too quickly. Dinner was served at the usual time and following the discussion of a very appetising menu the appended toast list was taken up: The King—Prop. The Rector; "National Anthem."

St. Mary's Choir and Organist—Prop. Mr. G. D. Pike; Resp. Messrs. G. B. Lloyd and E. Cranford. Our Guests—Prop. The Rector; Resp. Mr. R. W. Shepherd. The Ladies—Prop. Mr. J. L. Noonan; Resp. Mr. Max Colton. The Rector—Prop. Mr. G. B. Lloyd; Resp. Rev. A. B. S. Stirling. After dinner there was dancing for the adult members of the party and games for the younger ones. Misses Burridge and James presiding at the piano. At 1:30 this morning the pleasure was applied and all returned home happy and contented, after singing Auld Lang Syne and God Save the King.
