**British Empire  
Exhibition Committee**

ARRANGEMENTS TO EXTEND HOSPITALITY TO THE MEDICAL FRATERNITY.

Editor Evening Telegram.

Dear Sir—I am forwarding herewith a copy of a letter received by the Executive Committee from Captain Gordon, the chairman of our London Advisory Committee. You will observe that Sir Bruce Bruce-Porter requests that notice of the Committee of medical men be given to our local press. I should be glad if you can find space in your esteemed paper to publish this letter, which speaks for itself better than any notice that might be written by me. I have sent a copy of the letter to the Secretary of the Newfoundland Medical Association and to the Secretary of the St. John's Clinical Society.

Yours truly,  
W. F. RENDELL,  
Secretary.

St. John's, Mar. 27th.

(Copy)

6 Grosvenor St., W.I.  
February 26th.

My dear Gordon—  
We have formed a Committee of Medical Men representing the Medical Societies of London, so that during the Empire Exhibition we may be able to extend hospitality to our medical brethren from the Dominions and Colonies who may be coming over here. This Committee includes the following:—

Sir Humphrey Rolleston, President of the Royal College of Physicians.  
Mr. H. J. Waring, Vice Chancellor of the London University.

Dr. H. Spencer, President of the Medical Society of London.

Sir Squire Spriggs, Editor of the "Lancet."

The Presidents of other Medical Societies.

Will you give this notice to your press representative for Newfoundland, and say they are to correspond with the Hon. Secretary, Hospitality Committee, c/o. The Royal Medical Society, at 1, Wimpole Street, W.I. With kind regards,

Yours very truly,

(Sgd.) BRUCE BRUCE-PORTER.  
The Chairman is Sir William H. White, President of the Royal Society of Medicine, and I am Vice-Chairman, as President of the Hunterian Society.

**Harbor Grace Notes.**

The death of Mrs. Tetford, wife of Mr. William Tetford, H.M.C., took place at her home, Bennett's Lane, on Monday, following an illness of some months. Besides her husband, she is survived by one step-son, Mr. John Tetford, who resides at St. John's. R.N.R. Melvin Tetford, the only son of deceased, made the Supreme Sacrifice during the European war. The funeral was held to-day at St. Paul's Church, and interment made in the C. of E. Cemetery. Our sympathy is extended to the bereaved.

The death of Mr. Clement Yetman, after a lingering illness, occurred last night, at his home, Harvey St. Left to mourn are a wife and eight children, three by a former marriage and five by the latter. Mr. Malcolm Yetman, of the Western Union Cable Co., Heart's Content, is a son of deceased. The funeral takes place to-morrow, when interment will be made in the Methodist Cemetery. We offer our condolence to the bereaved family.

Mr. Ernest Sheppard went to the city by Tuesday's train on a short visit.

Miss Mary Adams, daughter of Mr. George Adams, Bear's Cove, left here on Tuesday, enroute to Detroit, Mich., U.S.A., where she intends to make her home in the future. Miss Adams has already two brothers residing there.

A meeting of the new Road Board was held on Thursday evening last, and Mr. Robert French, chairman of the old Road Board, was again elected to that position.

The harbour has been completely filled with slob ice of late, but the change of wind has now driven it out again, and the harbor is clear once more. We trust that it will continue so.

Mr. L. T. Chafe went to St. John's last week, and has entered the Hospital for treatment, which we trust will prove most beneficial.

Capt. A. Anensen, who has been on a business trip to Norway, left Christiania on Friday on his return, via Halifax.

Mrs. Charles Barnes, accompanied by her three children, came from St. John's recently on a visit to her parents, Mr. and Mrs. J. T. Parsons. COR.

Harbor Grace, Mar. 26, 1924.

**Are Women 100 Per Cent. Efficient**

How many women do you know who are one hundred per cent efficient? That means every nerve and sinew of the body pulsing with life and health as nature intended. Do you not know more who are half dead and half alive, with aches, pains, nervous, irritable and dependent, making themselves miserable and every one around them? Women in this condition should let Lydia E. Pinkham's Vegetable Compound rebuild and restore them to a normal healthy condition which will make them one hundred per cent efficient and life worth living. There are women in every section of this country who testify to its merits.

The 1924 Chevrolet are now on display—see them at Bert Hayward's showroom, Water Street. mar13,10,10d

**The Children Will Enjoy  
"Gallagher and Shean"**

Community Singing With Slides at the Majestic Saturday Afternoon.

"Skid-Proof" is perhaps the most fascinating feature of its kind ever released by the Fox Company. The thrilling race and airship flight are incidents which help "Buck" Jones in his greatest picture. The plot is a strong one whilst a combination of screen stars have elected to live up in the cast. "Skid-Proof" is certainly a strong screen drama and is voted to be the best of its kind so far produced. The unusual news reel is a screen of a comedy too laughable for words. Mr. Cameron Geddes won the large audience last night by his renditions of "Brown October Ale" from Robin Hood. So far this is Mr. Geddes' best song, whilst many are of the opinion his second offering, Bartlett's "A Dream" is his premier. All

however, agree that "I Wonder Who's Dancing with you To-night" is the most acceptable lullaby as it is favourable to the musical tastes of every lover of good songs and music. To-night the same bill will be repeated.

To-morrow afternoon is specially set aside for the kiddies. Mr. Geddes will lead the way in a community singing stunt when all the children will be invited to sing the chorus of "Gallagher and Shean" from the slides which will be shown on the screen. Last Saturday the children enjoyed this feature of the show and a good time is promised them to-morrow afternoon.
