

R. J. YOUNG & CO.

This fine weather makes the Dress Goods move. We sold a great many dresses yesterday and the day before. It's no wonder, either, that our Dress Goods should sell fast. In the first place we have the right styles, and then we sell them cheap, and besides that a pair of Kid Gloves are GIVEN FREE into the bargain with each Dress. It simply means a saving to you of ten per cent., or one dollar in every ten. Will we have an opportunity of selling you a dress? We hope so, as we have to keep selling large quantities to make the low prices pay.

Perhaps some one in the family requires clothing. This is now a large department with us as we are selling all clothing at wholesale prices. Every garment at manufacturers' prices. This means that we sell the cheapest clothing in London. It also means a great saving of money for you. It means that any man can buy from R. J. Young & Co. a Suit of Clothes at the exact price that the maker charges for the hundred suits. Ponder over this, gentlemen. We have the stuff to sell, and you want to spend your money with the man who sells cheapest. That is Young Men's all-wool pants, \$1 35; men's all-wool tweed suits at \$5, sold everywhere at \$7; boys' all-wool tweed suits at \$2, sold all over the city at \$2.50. Come in and see us and save your dollars buying from us.
